## **Teen Life In Europe:**

Teen Life in Europe Shirley R. Steinberg, 2005-10-30 Teens in European countries have a number of similarities But because Europe consists of such a diverse group of countries differences do exist These differences can be attributed to a variety of economies geographies and politics American teens will find a special interest in the region as it is the region in the world most similar to their own culture Each chapter covers a country in the region and is written by a native of that country The 12 countries profiled are Denmark England France Germany Ireland Italy Malta The Netherlands Portugal Spain Sweden and Turkey Each chapter concludes with a resource guide providing print and electronic sources for additional research

Teen Life in the Middle East Ali Akbar Mahdi, 2003-05-30 This unique volume offers unprecedented insight into the typical day interests and familial social and cultural lives of Middle Eastern teens Each chapter includes a resource guide to teach teens more about the 11 profiled countries Iran Iraq Israel Jordan Kuwait Lebanon Palestinian territories Saudi Arabia Syria Turkey United Arab Emirates and Yemen Numerous photos accompany the text This book provides teen readers in the West with a window into the everyday lives of their counterparts in the East fostering a better understanding of both their similarities and differences The current population of the Middle East is young and their future is critical in our worldview Teen life in the Middle East is marked by extremes In some countries especially those that are Westernized teens share the benefits of globalization with material and social comforts such as private schooling and vacations abroad In other countries political instability religious and cultural repression war and occupation earthquakes and poverty are ongoing crises Many teenagers must endure a difficult and sometimes nearly impossible path to adulthood

**Teen Life in Latin America and the Caribbean** Cynthia Tompkins, Kristen Sternberg, 2004-04-30 Teens in Latin America and the Caribbean generally face a difficult path to adulthood Poverty and unemployment violence political instability and emigration are frequently the norm in their native countries Those from poorer families must often work as well as attend school and opportunities for higher education and good jobs are limited Wealthier teens on the other hand are sheltered from harshness and enjoy private schools vacations abroad and access to American consumer products Yet family is important no matter what the class and most of these teens share a love of parties music and current fashions Latin America and the Caribbean are important regions to the United States since large numbers of Americans can trace their roots there Teen Life in Latin America and the Caribbean allows U S teens to understand the unique challenges and opportunities of teens in 15 Latin American or Caribbean countries Photos complement the text

Teen Life in Asia Judith J. Slater, 2004-02-28 Are teenagers in Tokyo more or less mature than teens in Brooklyn What do Chinese teens do for weekend recreation What do they value and care about This volume shows that the lives of teens in prosperous and westernized Asian countries have much in common with those of American teens Obtaining a good education is paramount and Asian interests and tastes in pop culture and sports for example are in sync with their American counterparts In poorer and politically restricted Asian nations teen

life and opportunities are more restricted however Greater focus and energy is given to helping the family survive Yet it is the ancient cultural and religious traditions in Asian life that constitute the fundamental difference between American and Asian teens This book is an insightful and sweeping introduction to the Asian teen experience from a typical day to participation in religious ceremonies in 15 countries

**The Routledge International Handbook of European Social Transformations** Peeter Vihalemm, Anu Masso, Signe Opermann, 2017-11-22 This book focuses on social transformations as one of the central topics in the social sciences The study of European social transformations is very valuable in the context of universal discussions within social sciences explaining invariable universal attributes of societies and examining changing attributes The book consists of 20 chapters on European social transformations written from the perspectives of distinguished scholars from such disciplines as economics political science educational science geography media and communication studies public management and administration social psychology and sociology The temporal and spatial range of the book is wide including such global changes as time space compression focusing particularly on change processes in Europe during the last two decades The book consists of four main parts beginning with an overview of the theoretical and methodological approaches and then focusing separately on post communist transformations institutional drivers of social transformations in the European Union and European transformations in the context of global processes The book presents current theoretical empirical and methodological approaches that complement the scientific literature on social transformations This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom and will be of interest to students academics and policy makers studying how this diverse region has changed over recent years
