Teen Movies Timothy Shary, 2005 *Teen Movies American Youth on Screen* is a detailed look at the depiction of teens on film and its impact throughout film's history Timothy Shary looks at the development of the teen movie the rebellion the romance the sex and the horror up to contemporary portrayals of ever changing youth Films studied include *Rebel Without a Cause* 1955 *Splendor in the Grass* 1961 *Carrie* 1976 *The Breakfast Club* 1985 and *American Pie* 1999

Consent Culture and Teen Films Michele Meek, 2023-04-04 Teen films of the 1980s were notorious for treating consent as irrelevant with scenes of boys spying in girls locker rooms and tricking girls into sex While contemporary movies now routinely prioritize consent ensure date rape is no longer a joke and celebrate girls desires sexual consent remains a problematic and often elusive ideal in teen films In *Consent Culture and Teen Films* Michele Meek traces the history of adolescent sexuality in US cinema and examines how several films from the 2000s including *Blockers* *To All the Boys I've Loved Before* *The Kissing Booth* and *Alex Strangelove* take consent into account Yet at the same time Meek reveals that teen films expose how affirmative consent yes means yes fails to protect youth from unwanted and unpleasant sexual encounters By highlighting ambiguous sexual interactions in teen films such as girls failure to obtain consent from boys queer teens subjected to conversion therapy camps and youth manipulated into sexual relationships with adults Meek unravels some of consent's intricacies rather than relying on oversimplification By exposing affirmative consent in teen films

as gendered heteronormative and cis centered Consent Culture and Teen Films suggests we must continue building a more inclusive consent framework that normalizes youth sexual desire and agency with all its complexities and ambivalences

Teen Film Catherine Driscoll, 2011-06-01 What makes a film a teen film And why when it represents such powerful and enduring ideas about youth and adolescence is teen film usually viewed as culturally insignificant Teen film is usually discussed as a representation of the changing American teenager highlighting the institutions of high school and the nuclear family and experiments in sexual development and identity formation But not every film featuring these components is a teen film and not every teen film is American Arguing that teen film is always a story about becoming a citizen and a subject Teen Film presents a new history of the genre surveys the existing body of scholarship and introduces key critical tools for discussing teen film Surveying a wide range of films including The Wild One Heathers Akira and Donnie Darko the book's central focus is on what kind of adolescence teen film represents and on teen film's capacity to produce new and influential images of adolescence

Youth and Suicide in American Cinema Alessandra Seggi, 2022-10-27 This book explores the depiction of suicide in American youth films from 1900 to 2019 Anchored in Sociology this multidisciplinary study investigates the causes and consequences of suicide and uncovers the socio cultural context for the development of youth film and suicide While such cinematic portrayals seem to privilege external explanations of suicide versus internal or psychological ones overall they are neither rich nor sensitive Most are simplistic limited or at the very least unbalanced At times they are flatly controversial In light of this overall problematic depiction of suicide this book offers a proactive approach to empower young audiences a media literacy strategy to embrace while watching these films

Screening Youth Chareyron Romain Chareyron, 2019-05-22 Youth has been represented on screen for decades and has informed many directors visual narrative and social perspectives but there has not been a body of work addressing the richness and complexity of this topic in a French and Francophone context This volume offers new insights into the works of emerging and well established directors alike who all chose to place youth at the heart of their narrative and aesthetic concerns Showing how the topic of youth has inspired filmmakers to explore and reinvent common tropes associated with young people the book also addresses how the representation of youth can be used to mirror the tensions political social religious economic or cultural that agitate a society at a given time in its history

Subversive Horror Cinema Jon Towlson, 2014-03-13 Horror cinema flourishes in times of ideological crisis and national trauma the Great Depression the Cold War the Vietnam era post 9 11 and this critical text argues that a succession of filmmakers working in horror from James Whale to Jen and Sylvia Soska have used the genre and the shock value it affords to challenge the status quo during these times Spanning the decades from the 1930s onward it examines the work of producers and directors as varied as George A Romero Pete Walker Michael Reeves Herman Cohen Wes Craven and Brian Yuzna and the ways in which films like Frankenstein 1931 Cat People 1942 The Woman 2011 and American Mary 2012 can be considered subversive

The Oxford Handbook of Children's Film Noel

Brown,2022 Offers a comprehensive and wide ranging study of children s film Takes an interdisciplinary approach that encompasses contributions from scholars in the fields of film studies children s education children s media studies children s literature studies animation studies and fandom studies Features an international scope covering iconic films from Hollywood including Disney as well as from Britain France Germany Sweden Norway Hungary Australia China Japan South Korea India Iran and Kenya Includes chapters written from a range of critical approaches to children s film including genre ideology narrative stardom music industry studies and primary research on audiences and reception Book jacket ReFocus: The Films of Amy Heckerling Smith Frances Smith,2016-02-19 Refocus The Films of Amy Heckerling is the first book length study of the work of Amy Heckerling the phenomenally popular director and screenwriter of Clueless and Fast Times at Ridgemont High As such the book constitutes a significant intervention in Film Studies prompting a reconsideration of the importance of Heckerling both in the development of Teen cinema and as a figure in Hollywood comedy As part of the Refocus series the volume brings together outstanding original essays examining Heckerling s work from a variety of perspectives including film television and cultural studies and is destined to be used widely in undergraduate teaching **Rock 'n' Roll Movies** David Sterritt,2017-12-18 No detailed description available for Rock n Roll Movies **Screening Gender on Children's Television** Dafna Lemish,2010-04-05 This book offers readers insights into the transformations taking place in the presentation of gender portrayals in television productions aimed at younger audiences *Scenes from the Suburbs* Vermeulen Timotheus Vermeulen,2014-04-08 Suburbia Say the word and a stream of images pass before your eyes white picket fence neatly mowed lawns winding roads nicely lined with trees pastel tinted bungalows bored housewives conspicuous consumption We all know what the suburbs are about Or do we This book looks again at the filmic and televised spaces we think we know so well How are these spaces built up What is it that makes us recognize them as suburbs How do they function By exploring in detail the hometowns of Desperate Housewives The Simpsons King of the Hill Happiness Pleasantville Brick and Chumscrubber *Scenes from the Suburbs* examines what it means to be suburban today An essential read for academics concerned with the ways in which our understandings of space and place change this book will be particularly relevant for students and researchers in Suburban Studies Film and Television Studies and Urban Geography **Halloween** Mark Bernard,2019-10-02 This book argues that Halloween need not be the first nor the most influential youth slasher film for it to hold a special place in the history of youth cinema John Carpenter s 1978 horror hit was once considered the be all end all of teen slasher cinema and was regarded as the first the best and the most influential American slasher film Recent revisions in film history however have challenged Halloween s comfortable place in the canon of youth horror cinema However this book argues that the film like no other draws from the themes imagery and obsessions that fueled youth horror cinema since the 1950s Gothic atmosphere atomic dread twisted psychology and alienated teenage monsters and ties them together in the deceptively simple story of a masked killer on Halloween night Along the way the film

delivers a savage critique of social institutions and their failure to protect young people Halloween also depicts a cadre of compelling and complicated youth characters teenage babysitters watching over preadolescents as a killer who is viciously avoiding the responsibilities of young adulthood stalks them through the shadows This book explores all these aspects of Halloween including the franchise it spawned providing an invaluable insight into this iconic film for students and researchers alike

Heightened Genre and Women's Filmmaking in Hollywood Mary Harrod, 2021-05-24 Despite the widely publicised prejudice faced by women in Hollywood since around 1990 a significant minority of female directors have been making commercially and culturally impactful films there across the full range of genres This book explores movies by filmmakers Amy Heckerling Nora Ephron Nancy Meyers Catherine Hardwicke Sofia Coppola Kimberly Peirce Kathryn Bigelow and Greta Gerwig including many which are still critically neglected or derided seeing them as offering a new understanding of genre filmmaking That is like many other contemporary films but in a striking proportion within the smaller set of mainstream movies by women this body of work revels in a heightened genre status that allows its authors to simultaneously address intellectual cinephilic pleasures and bodily emotive ones Arguing through close analysis that these films demonstrate the inseparability of such strategies of engagement in contemporary genre cinema Heightened Genre reclaims women's mainstream filmmaking for feminism through a recalibration of genre theory itself

Anatomy of the Slasher Film Sotiris Petridis, 2019-05-28 The term slasher film was common parlance by the mid 1980s but the horror subgenre it describes was at least a decade old by then formerly referred to as stalker psycho or slice em up Examining 74 movies from The Texas Chainsaw Massacre 1974 to Texas Chainsaw 3D 2013 the author identifies the characteristic elements of the subgenre while tracing changes in narrative patterns over the decades The slasher canon is divided into three eras the classical 1974 1993 the self referential 1994 2000 and the neoslasher cycle 2000 2013

The Outsiders Ann M. Ciasullo, 2023-02-17 This volume traces the unique trajectory of The Outsiders from beloved book to beloved movie Based on S E Hinton's landmark novel Coppola's film adaptation tells the story of the Greasers a gang of working class boys yearning for security love and acceptance in a world ruled by their rival gang the rich Socs The Outsiders Adolescent Tenderness and Staying Gold explores the cultural impact of Hinton's book the process by which Coppola made the film the film's melodramatic components the marketing of the movie to a young female audience and the nostalgia industry that has emerged around it in recent decades thereby illuminating how The Outsiders stands apart from other teen films of the 1980s In its depiction of the emotional rather than sexual lives of young men on film and its recognition of the desires of teen girls as an audience The Outsiders distinguishes itself from the standard teen fare of the era With seriousness and sincerity Coppola's film captures the essence of the oft repeated timeless message of the story Stay gold This volume engages with a wide range of disciplinary approaches film studies gender studies and literary and cultural studies in order to distinguish The Outsiders as the significant contribution to youth culture that it was in the early 1980s and continues to be in the twenty first

century The book fills a gap in existing scholarship on youth culture and is ideal for scholars students and teachers in youth cultures young adult literature film studies cultural studies and gender studies

Musical Sincerity and Transcendence in Film Timothy B. Cochran, 2021-08-16 Musical Sincerity and Transcendence in Film focuses on the ways filmmakers treat music reflexively that is draw attention to what it is and what it can do Examining a wide range of movies from recent decades including examples from Indiewood teen film and blockbuster cinema the book explores two recurring ideas about music implied by foregrounded musical activity on screen that music can be a potent means of sincere expression and genuine human connection and that music can enable transcendence of disenchantment and the mundane As an historical musicologist Timothy Cochran explores these assumptions through analysis of musical style aesthetic implications and narrative strategy while treating the ideas as historically grounded and culturally situated with conceptual origins often lying outside of film The book covers eclectic critical terrain to highlight various layers of musical sincerity and transcendence in film including the nineteenth century aesthetics of E T A Hoffmann David Foster Wallace s literary resistance to irony sometimes called the New Sincerity strategies of self revelation in singer songwriter repertoires Lionel Trilling s distinction between sincerity and authenticity theories of play David Nye s notion of the American technological sublime and Svetlana Boym s writings on nostalgia These lenses reveal that film is a way of perpetuating revising and critiquing ideas about music and that music in film is a potent means of exploring broader social emotional and spiritual desires

Ageing Masculinities in Contemporary European and Anglophone Cinema Tony Tracy, Michaela Schrage-Früh, 2022-12-30 This volume offers a unique exploration of how ageing masculinities are constructed and represented in contemporary international cinema With chapters spanning a range of national cinemas the primarily European focus of the book is juxtaposed with analysis of the social and cultural constructions of manhood and the anti ageing impulses of male stardom in contemporary Hollywood These themes are inflected in different ways throughout the volume from considering how old age is not the monolithic and unified life stage with which it is often framed to exploring issues of queerness sexuality and asexuality as well as themes such as national cinema and dementia Offering a diverse and multifaceted portrait of ageing and masculinity in contemporary cinema this book will be of interest to scholars and students of film and screen studies gender and masculinity studies and cultural gerontology

The Palgrave Handbook of Children's Film and Television Casie Hermansson, Janet Zepernick, 2019-05-28 This volume explores film and television for children and youth While children s film and television vary in form and content from country to country their youth audience ranging from infants to screenagers is the defining feature of the genre and is written into the DNA of the medium itself This collection offers a contemporary analysis of film and television designed for this important audience with particular attention to new directions evident in the late twentieth and early twenty first centuries With examples drawn from Iran China Korea India Israel Eastern Europe the Philippines and France as well as from the United States and the United Kingdom contributors address a variety of issues ranging from

content to production distribution marketing and the use of film both as object and medium in education Through a diverse consideration of media for young infants up to young adults this volume reveals the newest trends in children s film and television and its role as both a source of entertainment and pedagogy
