Teenagers Absolutely Basic Introduction To The New Testament:

A Teenager's (Absolutely Basic) Introduction to the New Testament Jim Auer, 1986 *Living the Message of the New Testament* Michael Pennock, 1992 Written in accord with the Catechism of the Catholic Church and rooted in the sound catechetical principles of the National Catechetical Directory these texts present a well defined curriculum model that stresses clear objectives careful organization and creative methods and evaluation procedures to check the attainment of goals Very flexible allowing teachers to select materials to highlight and stress each text can be implemented on various grade levels for a quarter a semester or a full year depending on the length and frequency of class meetings Centering on the person of Jesus and the good news he came to preach this text invites students to join the millions of Christians over the centuries who have found the key to life's meaning in the sacred scriptures Exposes them to large portions of the books of the New Testament and continually shows them how to apply the teachings they find to their lives It stresses the joyfulness of the biblical message and its relevance for today while teaching students to pray with scripture *50 Ways to Tap the Power of the Sacraments* Joseph E. El-Hi Textbooks & Serials in Print, 2000, 2000 **Bible Journaling for Teens** Reverend Dr. Deborah Scarborough, 2021-05-17 In *Bible Journaling for Teens Doing All Things Through Christ Who Strengthens Me* Dr Deborah Scarborough expounds on Philippians 3:14 to point out areas in your life that may require more strength to deal with than you have within yourself Especially during this global pandemic when you may be struggling with social isolation financial woes and sadness due to loss of important milestones in your life Help is here This Journal gives you an opportunity to acknowledge your struggles while developing a journaling routine which emphasizes that things will get better because you have Jesus Christ in your life Writing from personal journaling experience with her own children when they were teenagers Dr Scarborough provides this practical tool to facilitate active biblical learning and living This 52 week bible journal includes a scripture each week to study as well as space to write your thoughts and prayers about the scriptures Get ready to be strengthened to do all things through Christ in these areas of your life when you need His strength the most Strength to Resist the Devil Strength to Do the Right Thing Strength to Say the Right Thing Strength to Deal with Stress Strength to Deal with Grief Strength to Overcome Disappointments Strength to Seek Knowledge Strength to Value Yourself Strength to Honor God with Your Body Strength to Achieve Your Goals Strength to Trust God Strength to Be a Peacemaker Strength to Be a Good Leader Strength to Help Others Strength to Grow in the Lord and even Strength to Praise the Lord PURCHASE YOUR COPY TODAY BOOK REVIEWS Bible Journaling for Teens is an important resource and tool for teens as they seek to develop and mature Journaling is a therapeutic technique that is often used to increase self awareness and aid in emotional processing within mental health spaces This book combines the therapeutic value with spiritual value It is not simply a book with random

scriptures and accompanying journal prompts it is organized in a way that provides Godly wisdom for different aspects of a teen's experience from growing in the Lord to dealing with grief and loss to dealing with disappointments to learning how to honor and value oneself. Rev. Dr. Deb thoughtfully structured the prompts in a way that allows the reader to meditate on scriptures each week of the year while being able to pour out their personal thoughts and prayers as they are led or as the Lord illuminates their understanding. My favorite part of the journal is that it encourages parents and/or trusted adults to go on this journey with the teen by being able to write encouragement to the teen for each journal prompt. This not only encourages spiritual, emotional, and social growth and development but it also strengthens the teen's awareness of their support system, a balance that is sorely needed in the adolescent stage of development. I highly recommend this book.

Ashley Burton, M.A., Mental Health Advocate, Speaker, Educator. This interactive Bible journal for teens by Dr. Deborah Scarborough was borne of a tradition begun with her children. The newest edition provides a sequel to Dr. Scarborough's nascent publication *Bible Journaling for Kids: Putting on the Full Armor of God*. They are broadly designed to engage children and teens with their parents, grandparents, and caregivers. Each in the series is grounded in biblical texts and developmentally stepped as appropriate to transitions from early childhood to adolescence. *Bible Journaling for Teens* provides Bible-based responses to adolescent issues such as the challenges of approaching adulthood, identity, peer pressure, and imaginary audience phenomena that make teens feel sensitive and self-conscious. I am certain these 52-week strength-building exercises rooted in Bible passages will be especially helpful during this season of the novel coronavirus infections that have left families isolated and intrafamilial relationships strained. Journaling can be a powerful tool for healing. Be encouraged that studying God's Word together in this journaling process brings renewed hope as well as strengthened family ties that foster skill building, understanding, and application of Scripture.

Dr. Frances Raphael Howell, Professor of Psychology, Montgomery College, Rockville, MD. Dr. Scarborough's *Bible Journaling for Teens* is truly a must-have resource for every Christian teenager who is seeking to genuinely grow in their relationship with God. As a former Youth Pastor, I often sought creative ways to help keep teens engaged with the word of God and prayer on a daily basis when they were away from church, and this journaling experience is just that. It not only provides transparent and impactful insight into various scriptures but also allows space for teens to develop their own thoughts and prayers. I strongly encourage every Parent, Pastor, Youth Leader to make sure that your teens have this excellent Bible journaling experience.
