Wisdom on Wheels Donald V. Huard Ph.D., 2020-09-16 During the time of a global pandemic it's very difficult to maintain a positive attitude about America's future Daily and even hourly our citizens are being bombarded with the tragic depressing news that stresses the massive loss of life and the severe economic downturn resulting in high unemployment and family instability As a handicapped former professor of psychology now nearing ninety years of age Dr Don Huard lives his life on a variety of wheels those on his walker those on his electric scooter and those on his wheel chair He calls on others to look ahead optimistically pointing to the potential power of a positive attitude He chooses to stress recovery recovery that will occur in time Having survived the Asian flu pandemic in the early 1950s Don struggled with personal depression as a frail 115 lb eighteen year old military draftee during the Korean conflict Forty plus years of teaching and counseling young college students has resulted in some thoughtful consideration of the value of an optimistic mental outlook and its supportive influence not only for college students but also for those of advancing age even those who are handicapped and traveling on wheels

Believing In Me Donald V. Huard Ph.D., 2019-03-15 As a 115 pound teenager drafted into the United States Army during the Korean conflict Donald Huard was laughed at taunted and bullied by other recruits He met his military responsibilities effectively however facing the potential for a military court martial during one tour of duty before his honorable discharge in 1954 His is an interesting soldier's story Determined to get a college education Don used the GI Bill to get his associate's and bachelor's degrees Then with the firm support of his wife and four children over a very long period of seventeen years he managed to meet the requirements for his master's and PhD degrees in psychology with minors in both criminology and business His is a very successful story of constructive determination How does one recover at the age of fifty

as the loving father of four teenagers grieving the loss of their mother How does he rebuild his own life following such sadness Eventually Don met Margie the wonderful lady who enabled him to live again In this book Dr Huard who is now in his mid eighties stresses two of his personal survivor stories from fifty years ago One is about his military training and his Alaskan adventures the other is about his conflict with the administrative hierarchy at a major state university in his own hometown **Where Grandpa's Been...** Dr. Donald Huard,2015-04-15 As a 115 lb teenager drafted into the United States Army during the Korean conflict Donald Huard was laughed at taunted and bullied by other recruits He met his military responsibilities effectively however facing the potential for a military court martial during one tour of duty before his honorable discharge in 1954 His is an interesting soldier s story Determined to get a college education Don used his G I Bill to get his associate s and bachelor s degrees Then with the firm support of his wife and four children over a very long period of seventeen years he managed to meet the requirements for his master s and Ph D degrees in psychology with minors in criminology and business His is a very successful story of constructive determination How does one recover at the age of 50 as the loving father of four teenagers grieving the loss of their mother How does he rebuild his own life following such sadness Eventually Don met and married Margie the wonderful lady who enabled him to live again Theirs is an interesting story of true love In his early eighties now Dr Huard tells his story in this his own personal autobiography written slowly over the last 25 years Teen-Agers Donald V. Crawford's Fundamentals of Nursing is back for a second edition encore. The text that made its name by focusing on simple language and active learning continues its focus on helping you truly understand, apply, and retain important nursing information and concepts. Using a warm and conversational style, this new second edition guides you towards a basic understanding of the nursing profession and then logically progresses through the nursing process and into the safe and systematic methods of applying care. Each chapter features realistic and complex case studies and critical thinking exercises woven throughout the content to help you continually apply what you've learned to actual patient care. A conceptual care mapping approach created by Yoost and Crawford themselves further your ability to make clinical judgments and synthesize knowledge as you develop plans of care after analyzing and clustering related patient assessment data. All of this paired with a wealth of student-friendly learning features and clinically focused content offers up a fundamentally different and effective way for you to easily master the fundamentals of nursing. UNIQUE Warm friendly writing style slows down the pace of information to give readers time to critically think and master all fundamental concepts and skills. UNIQUE Building block approach groups topics and concepts together thematically in the order needed for readers to build their knowledge. UNIQUE Objective-driven approach presents clearly defined numbered objectives that coordinate with all content and then wrap up with Objective Summaries. UNIQUE Active learning activities are incorporated throughout every chapter to help readers learn to apply chapter content to broader nursing concepts and realistic patient scenarios. UNIQUE Conceptual care mapping is taught and used throughout the text in conjunction with the Conceptual Care Map Creator. UNIQUE Emphasis on QSEN reinforces the Quality and Safety Education for Nurses competencies including patient-centered care, teamwork and collaboration, evidence-based practice, quality improvement, safety, and informatics. Special feature boxes cover the areas of diversity, consideration, evidence-based practice, informatics, patient education, healthy literacy, health assessment, questions, interprofessional collaboration, and delegation, ethical and legal practice, home care considerations, safe practice alerts, QSEN, critical thinking exercises, and nursing care guidelines. NEW Interprofessional collaboration and delegation content appears throughout the text along with new IPE activities that are integrated into the Evolve resources. NEW UNIQUE Review and exam questions tied to learning objectives use a building block style approach that starts at lower Bloom's taxonomy levels in early chapters and builds to more complex levels as readers acquire more knowledge. NEW Emphasis on assignment and delegation covers the differences between them and how and when they're appropriate for an RN. NEW Content on complementary therapies has been integrated throughout the text to reflect the changes to the NCLEX exam. NEW Additional information has been added in the areas of HCAHPS, Health Literacy, Patient Education, Drugs of Abuse, Zika, Ebola, and more.
