Teenagers at War John J. Somers, 2001 I went back to Normandy in 1994 for the 50th Anniversary of D Day Meeting many vets and seeing the Norman towns brought back a flood of memories When Les Ploettner and I joined the others in telling war stories they liked our tales of derring do by the infamous pair sometimes known as the Dauntless Duo Some of the wives said that everyone should write their stories for posterity Upon returning home I began with Les filling in when my memory failed to put to paper the stories contained in this book We both came to the conclusion that teen agers made up the majority of soldiers in our battery In this book I try to describe their feelings and how they faced combat and many wacky adventures during World War Two D-Day to Berlin Alan J. Levine, 2007 Concise history of the Allied campaign to liberate Northwest Europe during World War II

**The Adolescent Years of Benjamin Bird** MD Gage, 2020-11-15 During the adolescent years of Benjamin Bird he wrestled with inevitable post World War II socioeconomic and technological change the breakup of his extended family transitioning from the country to the city from public school to college and from confusion over his bisexuality The following is an excerpt from Chapter Three Benjamin pulled his socks tight in his shoes to avoid getting blisters on his heels and he began trotting across the Dover pasture out to the county road There he crawled under the barbed wire fence and headed home on foot He did not mind walking even three miles Walking always seemed to clear his mind He was relieved to be escaping from Denver's influence at least for a time Every step he took away from Denver was a step in the right direction Step step step Denver is sexy all right Ben admitted to himself but not as desirable as Jacob Jiggs

had been not sexy enough for me to start daydreaming about Denver or any other male or I will fall into a trap that might haunt me for the rest of my life Step step step Don t think of Denver s masculinity don t think of the arousal I felt riding behind Denver on old Misty don t think of Denver s broad shoulders or his beautiful backside Step step step Don t think of Denver s naughty nature don t think of what Denver might be doing with old Misty I don t ever want to know Step step step Stay on the right side of life Think of girls Think of becoming attracted to girls Think of which girl I will try to win for my sweetheart when school starts up again Step step step Should it be Peggy Blessing Peggy is so feminine and dainty I actually felt manly when I was sitting beside her in assembly Step step step Imagine putting my arms around Peggy Blessing and having babies and building a nice home and becoming a good husband and father Step by step by step Ben s shoes became hot to his feet so he sat down and took them off stuffed his socks into his shoes tied the shoestrings together and slung them over his shoulder His feet felt good tramping in the warm sandy ruts His toes felt liberated At least his toes were liberated Watch for the forthcoming sequel *The Rootless Years of Benjamin Bird* *United States Army in World War II.: The technical services* United States. Dept. of the Army. Office of Military History,1947 **Red Star at War** Colin Turbett,2020-07-30 Russia s losses during the Second World War were beyond imagination and touched the lives of an entire population caught between a brutal and murderous invader and a ruthless leadership at home Soviet victory over the Nazis which effectively won the war was the end result of effort and sacrifice by the ordinary millions who were totally committed to saving their motherland The humanity of the ordinary Soviet citizen in uniform is often forgotten because of later Cold War narratives propagated East and West for differing ideological reasons This book seeks to redress these imbalances In its pages the tragedy of war and loss are captured in the faces of those who lived through some of the most momentous years in human history Many of the pictures show the women who fought alongside men in the front line a unique feature among the belligerent nations Red Star at War is centered on photographs taken before during and after the Second World War which illustrate the human face of the immense Soviet war effort These show soldiers sailors airmen men and women not in battle but in photographs taken for their families and friends and the messages that often went with these images A number were taken in the knowledge that they might be the last image of a loved one as death was almost a certainty for many The photographs and captions are backed up by text that provides both context and baseline drawn from writings of the period as well as more recent historical accounts and research **United States Army in World War II.** ,1968 **American Ex-prisoners of War** Gardner N.
