Huckleberry Hound and Quick Draw McGraw Mickey Mouse Wayne Allwine and Minnie Mouse Russi Taylor were a real life husband and wife team Spanning many studios and production companies this book captures the spirit of fun that bubbles from those who create the voices of favorite animated characters In the earliest days of cartoons voice actors were seldom credited for their work A little more than a decade ago even the Screen Actors Guild did not consider voice actors to be real actors and the only voice actor known to the general public was Mel Blanc Now Oscar winning celebrities clamor to guest star on animated television shows and features Despite the crushing turnouts at signings for shows such as Animaniacs The Simpsons and SpongeBob Squarepants most voice actors continue to work in relative anonymity The Magic Behind the Voices features personal interviews and concise biographical details parting the curtain to reveal creators of many of the most beloved cartoon voices
