Tuttle,2016-01-11 Over four hundred years ago Terrus the Liberator ended the Mage Wars by banishing the mage lords to the island of Lantana The world was at peace but that era of peace has ended Alfor and his rogue mages have seized control of the Northlands of Amica and are bringing about the return of the mage lords As the world rushes to war the Amican Alliance is faced with an ever widening front in the north while Alfor tries to bring the mages of Lantana into the war as his allies If all of the mages unite against Amica the world is certainly doomed but there is a single ray of hope standing in the way of that destruction The Avenging Shadow wields the Sword of Articus and he plans to take on Alfor and the mages even if he must do so alone *Sword of the Gods: The Dark Lord's Vessel* Anna Erishkigal,2016-06-16 A war traumatized Angelic must rescue his pregnant wife from the Devourer of Children without succumbing to the inner darkness which can unleash a terrifying power **Kaqchikel Chronicles** ,2010-07-05 The collection of documents known as the Kaqchikel Chronicles consists of rare highland Maya texts which trace Kaqchikel Maya history from their legendary departure from Tollan Tula through their migrations wars the Spanish invasion and the first century of Spanish colonial rule The texts represent a variety of genres including formal narrative continuous year count annals contribution records genealogies and land disputes While the Kaqchikel Chronicles have been known to scholars for many years this volume is the first and only translation of the texts in their entirety The book includes two collections of documents one known as the Annals of the Kaqchikels and the other as the Xpantzay Cartulary The translation has been prepared by leading Mesoamericanists in collaboration with Kaqchikel speaking linguistic scholars It features interlinear glossing which allows readers to follow the translators in the process of rendering colonial Kaqchikel into modern English Extensive footnoting within the text restores the depth and texture of cultural context to the Chronicles To put the translations in context Judith Maxwell and Robert Hill have written a full scholarly introduction that provides the first

modern linguistic discussion of the phonological morphological syntactic and pragmatic structure of sixteenth century Kaqchikel The translators also tell a lively story of how these texts which derive from pre contact indigenous pictographic and cartographic histories came to be converted into their present form *The Lords of Night* J.C.
