Napoleon s invasion of the Middle East marks the beginning of the modern era in the region This book traces the developments that led to the making of a new and separate geographical political entity in the Middle East known as Eretz Israel and the establishment of the State of Israel within its bounds Thus its time frame runs from Napoleon s invasion of Eretz Israel Palestine in 1799 to the establishment of Israel in 1948 1949 Eretz Israel as the formal name of a separate entity in the modern era first appeared in the early translations into Hebrew of the Balfour Declaration while in the original document the country was referred to as Palestine During the period of Ottoman rule the territory that would in time be

called Eretz Israel Palestine was not a separate political unit Among Jews use of Eretz Israel increased only after the beginning of Zionist aliyot Had the Zionist movement not arisen it is doubtful whether the development to which this study is devoted would have occurred The motivating force behind that process is without doubt the Zionist element That is why Jews are the major protagonists in this book     **The Jewish Question** Alex Bein,1990 This monumental work of Alex Bein noted scholar and chief librarian of the Israeli National Library is the most authoritative survey of Jewish culture and Jewish problems in the Diaspora First published in two massive volumes in German it is here made available in a single volume in English     **The Publishers Weekly** ,1972     Jesus of Nazareth Michael Hesemann,2021-02-19 All of us need to return to Nazareth Pope Benedict XVI from his visit to Nazareth 2009 After the best selling archaeological biography Mary of Nazareth Michael Hesemann sets out once again for the Holy Land this time seeking traces of perhaps the most mysterious figure in human history Jesus of Nazareth whom Christians believe to be the Son of God the Messiah In this unique book Hesemann walks the streets of Israel in order to put historical archaeological geographical and scriptural research on Jesus to the test Bible in hand he takes readers on a stunning tour through the places Jesus lived worked and suffered Bethlehem Nazareth Capernaum Jerusalem to give a concrete and colorful sense of the historical Jesus and the world he knew Along the way archaeologists reveal to Hesemann a host of little known discoveries from the apostles boat to Herod s palace to what might be the sites of Jesus miracles This book brings readers face to face with the mystery of the Incarnation a God who if Scripture is right became man and lived among us Pack your bag and follow closely as Michael Hesemann retraces the footsteps of Jesus of Nazareth     *The New York Times Book Review* ,1989 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback
