Rivero, 2015-04-19 The birth and development of commercial television in Cuba in the 1950s occurred alongside political and social turmoil In this period of dramatic swings encompassing democracy a coup a dictatorship and a revolution television functioned as a beacon and promoter of Cuba's identity as a modern nation In Broadcasting Modernity television historian Yeidy M Rivero shows how television owners regulatory entities critics and the state produced Cuban modernity for television The Cuban television industry enabled different institutions to convey the nation's progress democracy economic abundance high culture education morality and decency After nationalizing Cuban television the state used it to advance

Fidel Castro's project of creating a modern socialist country As Cuba changed television changed with it Rivero not only demonstrates television's importance to Cuban cultural identity formation she explains how the medium functions in society during times of radical political and social transformation *TV Snapshots* Lynn Spigel,2022-04-08 In *TV Snapshots* Lynn Spigel explores snapshots of people posing in front of their television sets in the 1950s through the early 1970s Like today's selfies TV snapshots were a popular photographic practice through which people visualized their lives in an increasingly mediated culture Drawing on her collection of over 5 000 TV snapshots Spigel shows that people did not just watch TV women used the TV set as a backdrop for fashion and glamour poses people dressed in drag in front of the screen and in pinup poses people even turned the TV setting into a space for erotic display While the television industry promoted on screen images of white nuclear families in suburban homes the snapshots depict a broad range of people across racial ethnic and class backgrounds that do not always conform to the reigning middle class nuclear family ideal Showing how the television set became a central presence in the home that exceeded its mass entertainment function Spigel highlights how TV snapshots complicate understandings of the significance of television in everyday life Creating a Common Table in Twentieth-Century Argentina Rebekah E. Pite,2013-04-01 Dona Petrona C de Gandulfo c 1896 1992 reigned as Argentina's preeminent domestic and culinary expert from the 1930s through the 1980s An enduring culinary icon thanks to her magazine columns radio programs and television shows she was likely second only to Eva Peron in terms of the fame she enjoyed and the adulation she received Her cookbook garnered tremendous popularity becoming one of the three best selling books in Argentina Dona Petrona capitalized on and contributed to the growing appreciation for women's domestic roles as the Argentine economy expanded and fell into periodic crises Drawing on a wide range of materials including her own interviews with Dona Petrona's inner circle and with everyday women and men Rebekah E Pite provides a lively social history of twentieth century Argentina as exemplified through the fascinating story of Dona Petrona and the homemakers to whom she dedicated her career Pite's narrative illuminates the important role of food its consumption preparation and production in daily life class formation and national identity By connecting issues of gender domestic work and economic development Pite brings into focus the critical importance of women's roles as consumers cooks and community builders **Argentinian Telenovelas** Gabriela Jonas Aharoni,2015-07-01 This work explores the way in which telenovelas TV serial dramas give voice to contemporary and historical Argentinian social and political issues Telenovelas have multiple layers of socio cultural message local as well as global and are invariably laden with appealing drama and emotion and sometimes comedy The discussion focuses on how telenovelas reflect society's perception of and adjustment toward issues of globalisation They are a means of portraying how individuals and families rationalize and incorporate rapid social and economic changes The book explores how telenovelas might offer a subversive interpretation of reality or provide a channel of dialogue with the government's political aims The author challenges the assumption that they are merely a reflection of historical political and

social circumstance One of the many telenovela examples addressed in this book is whether the serial Padre Coraje constructs a parallel between the current Kirchner government and that of Juan Peron fifty years earlier The serial explores the two leaders relationship with the Church and implicitly presents President Kirchner as Peron s successor Explaining telenovelas as cultural texts they are not soap operas provides the primary basis for this study backed by Argentinian newspaper articles and secondary sources on Latin American history culture and economy as well as TV and cinema studies The result is a more profound and nuanced interpretation than hitherto of Argentinian telenovelas Analysis enables identification of the links between the serials storylines and contemporary political and social events These popular culture texts bring new meaning to the Argentinian historical narrative and for TV viewers puts the processes and effects of economic and social globalisation on a local multi cultural level perspective
