which TV has transformed in recent years particularly with the emergence of online streaming services such as Netflix Disney HBO Max and Amazon Prime It also includes a new chapter on sports TV and expanded coverage of horror political thrillers Nordic noir historical documentary and docu drama With analyses of popular shows like Stranger Things Killing Eve The Crown Chernobyl Black Mirror Fleabag Breaking Bad and RuPaul's Drag Race this book offers a comprehensive understanding of television genre for scholars and students alike *The Big World of Fun Facts* Lonely Planet Kids,2019-11-01 Want to know which nation is ruled by a dentist turned dictator Where to find taxis shaped like coconuts And who watches competitive cockroach racing Then this is the book for you The Big World of Fun Facts from Lonely Planet Kids is a bumper book of amazing facts and stories from around the world From countries food and folklore to sports flags animals and more this fun and fascinating adventure will boggle your mind Themes to explore include Nations of the world Nature Government politics and the law People and culture Life stages Religion and faith Food and drink Holiday and celebrations School and work Arts and entertainment Sports and games Transportation and communications About Lonely Planet Kids Lonely Planet Kids an imprint of the world's leading travel authority Lonely Planet published its first book in 2011 Over the past 45 years Lonely Planet has grown a dedicated global community of travellers many of whom are now sharing a passion for exploration with their children Lonely Planet Kids educates and encourages young readers at home and in school to learn about the world with engaging books on culture sociology geography nature history space and more Important Notice The digital edition of this book may not contain all of the images found in the physical edition *Billboard* ,1953-03-21 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Sightlines ,1979 Popular Science ,1959-01 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Austrian Information** ,1988 *Friends Behind the Scenes* Dennis Bjorklund,2023-10-02 Written by an authoritative expert Friends Behind the Scenes Backstage Pass to the Series A Comprehensive History is the most in depth book ever written about the series It provides a unique insider perspective and dishes the dirt on never before revealed secrets such as outing the cast member who was nearly fired from the series TWICE Friends Behind the Scenes commences with the showrunners backstory and a comprehensive recounting of the series concept the pitch presented to NBC and the network's objections Fans get a confidant's look into the TV industry and the trio's struggle to protect their pilot concept and creative vision The journey also uncovers early script drafts with jaw dropping disclosures about the main characters there was a highly promiscuous female an arrogant self centered jerk from Chicago and a homosexual The next chapters immerse the sitcom enthusiast into the laborious casting process with amazing

revelations such as the two costars who turned down guaranteed roles and a once rejected cast member who was only hired because NBC insisted. The likelihood of all six actors being chosen for the pilot was astronomically minuscule especially since two of the costars were committed to other projects and a handful of famous actors were offered costarring roles in the series. Friends Behind the Scenes unravels the mysteries behind shooting the pilot, how a test audience's negative report nearly capsized the series and what finally convinced NBC to gamble on adding the show to its fall schedule. The following pages methodically outline the showrunners' diligent efforts to assemble an incomparable creative team and hire brilliant wardrobe, hair, and makeup specialists who redefined 1990s fashion. Of course, TV junkies cannot forget the memorable title sequence with all the fountain frivolity and the mind-numbing theme song that captivated the world. Astonishingly, the original intro was completely different with an up-tempo singalong by a famous rock band that refused to license the track because the lead singer despised the hit single. Avid enthusiasts will discover how The Rembrandts were eventually hired and why they did not want their name attached to the bubblegum pop ditty. Readers are transported backstage to witness how episodes were produced and how guest stars were chosen with dazzling insight into the ones that got away, including a famous pop singer, three iconic movie stars, and a rock legend. In addition, some travelers will get an insider scoop into the world of stand-ins, body doubles, and famous extras who appeared on the show and marvel at the history of sets, how they were designed and decorated, and even the story behind famous props and set dressings like the peephole picture frame and burnt orange sofa. Further interviews unearth the private salary negotiations that eventually made the cast the highest paid actors on television. Actors' confessions shed light on how success impacted their lives and what made the sextet decide to call it quits after ten seasons. Friends disciples will be privy to the soundstage hysteria during the final days of shooting and the epochal send-off by NBC, while sitcom purists will be enraptured by the historical overview of the show's evolution from struggling newbie to ratings giant en route to its unprecedented success in syndication and streaming. Finally, the remaining chapters detail the societal impact of Friends and offer numerous trivia tidbits that have evaded most Friends aficionados for decades.
