Alberich had spent most of his youth in the Karsite military schools training to be an officer As the son of an impoverished mother he had no other career choice open to him And Alberich had risen in the ranks with almost unnatural speed He developed expertise with many weapons and excelled in academic subjects with an ease that was the envy of his classmates But in fact the reclusive Alberich studied long and hard pushing himself ruthlessly In battle Alberich had always had a sort of

sixth sense about things which were about to happen when and from where the enemy would attack Instinctively he his this ability for the Sunpriests kept careful watch for anyone exhibiting demon powers which were the hallmark of Karse s greatest enemy the witch nation of Valdemar Those they caught were cleansed in the fires of Vkandis Sunlord Both Alberich s skill and secret served him well in the army of Karse and when Alberich became one of Karse s youngest captains he received a special gift a powerful white stallion liberated from the enemy But this honor was merely a distraction for the Sunpriests had laid a trap which even Alberich s strange foresight could not predict Saved from burning as a witch when this odd white stallion braved flames and carried him over the border into Valdemar he was healed by the same enemies he had been taught to hate his entire life Though he knew he could never again return to his home Alberich also knew he could never truly become a Valdemaran How could Alberich remain true to his own people and still retain his honor while helping to train the direst enemy of Karse
