**The Heart of the Race** Beverley Bryan, Stella Dadzie, Suzanne Scafe, 2018-08-14 A powerful document of the day to day realities of Black women in Britain The Heart of the Race is a powerful corrective to a version of Britain's history from which black women have long been excluded It reclaims and records black women's place in that history documenting their day to day struggles their experiences of education work and health care and the personal and political struggles they have waged to preserve a sense of identity and community First published in 1985 and winner of the Martin Luther King Memorial Prize that year The Heart of the Race is a testimony to the collective experience of black women in Britain and their relationship to the British state throughout its long history of slavery empire and colonialism This new edition includes a foreword by Lola Okolosie and an interview with the authors chaired by Heidi Safia Mirza focusing on the impact of their book since publication and its continuing relevance today

**Black History - White History** Barbara Korte, Eva Ulrike Pirker, 2014-03-15 Britain's recent historical culture is marked by a shift As a consequence of new political directives black history began to be mainstreamed into the realm of national history from the late 1990s onwards Black History White History assesses a number of manifestations of this new cultural historiography on screen and on stage in museums and other accessible sites emerging in the context of two commemorative events the Windrush anniversary and the 1807 abolition bicentenary It inquires into the terms on which the new historical programme could take hold its sustainability and its representational politics

*Heroes & Villains of the British Empire* Stephen Basdeo, 2020-07-30 An analysis of the builders of the British Empire how they were represented in popular culture of the day and how that vision has changed over time From the sixteenth until the twentieth century British power and influence gradually expanded to cover one quarter of the world's surface The common saying was that the sun never sets on the British Empire What began as a largely entrepreneurial enterprise in the early modern period with privately run joint stock trading companies such as the East India Company driving British commercial expansion by the nineteenth century had become especially after 1857 a state run endeavour supported by a powerful military and navy By the Victorian era Britannia really did rule the waves Heroes and Villains of the British Empire is the story of how British Empire builders such as Robert Clive General Gordon and Lord Roberts of Kandahar were represented and idealised in popular culture The men who built the empire were often portrayed as possessing certain unique abilities which enabled them to serve their country in often inhospitable territories and spread what imperial ideologues saw as the benefits of the British Empire to supposedly uncivilised peoples in far flung corners of the world These qualities and abilities were athleticism a sense of fair play devotion to God and a fervent sense of duty and loyalty to the nation and the empire Through the example

of these heroes people in Britain and children in particular were encouraged to sign up and serve the empire or in the words of Henry Newbolt Play up Play up And Play the Game Yet this was not the whole story while some writers were paid up imperial propagandists other writers in England detested the very idea of the British Empire And in the twentieth century those who were once considered as heroic military men were condemned as racist rulers and exploitative empire builders

Nineteenth-Century Europe Michael Rapport,2018-08-11 A core introductory textbook that provides students with an overview of the key issues in Europe s long nineteenth century from the French Revolution in 1789 until the outbreak of the First World War in 1914 Telling the story of how Europeans entered politics in the fiery trials of revolution and industrialization the text opens with the French Revolution passes through the crucible of the 1848 Revolutions and ends with the emergence of mass movements socialist revolutionary nationalist and authoritarian which anticipated those of the twentieth century This is an ideal text for modules on Modern European History or Nineteenth Century Europe which may be offered at all levels of an undergraduate History or European Studies degree In addition it is a crucial resource for students who may be studying nineteenth century Europe for the first time as part of a taught postgraduate degree in Modern History or European Studies

Wonderful Adventures of Mrs. Seacole in Many Lands Mary Seacole,2018-11-14 Written in 1857 Wonderful Adventures of Mrs Seacole in Many Lands is the autobiography of a Jamaican woman whose fame rivaled Florence Nightingale s during the Crimean War Seacole traveled widely before arriving in London where her offer to volunteer as a nurse in the war was met with racism and refusal Undaunted she set out independently to the Crimea where she acted as doctor and mother to wounded soldiers while running her business the British Hotel Told with energy warmth and humor her remarkable life story and accounts of hardships at the battlefield offer significant insights into the history of race politics Amazon

**Heart Of The Race** Beverley Bryan,Stella Dadzie,Suzanne Scafe,2018-08-14 Heart of the Race is a powerful corrective to a version of Britain s history from which black women have long been excluded It reclaims and records black women s place in that history documenting their day to day struggles their experiences of education work and health care and the personal and political struggles they have waged to preserve a sense of identity and community First published in 1985 and winner of the Martin Luther King Memorial Prize that year Heart of the Race is a testimony to the collective experience of black women in Britain and their relationship to the British state throughout its long history of slavery empire and colonialism This new edition includes an introduction by Lola Okolosie and an interview with the authors chaired by Heidi Mirza focusing on the impact of their book since publication and its continuing relevance today
