Berger, 2014-10-14 Amid the variety of human experiences the comic occupies a distinctive place It is simultaneously ubiquitous relative and fragile In this book Peter L Berger reflects on the nature of the comic and its relationship to other

human experiences Berger contends that the comic is an integral aspect of human life yet one that must be approached and analyzed circumspectly and circuitously Beginning with an exploration of the anatomy of the comic Berger addresses humor in philosophy physiology psychology and the social sciences before turning to a discussion of different types of comedy and finally suggesting a theology of the comic in terms of its relationship to folly redemption and transcendence Along the way the reader is treated to a variety of jokes on a variety of topics with particular emphasis on humor and its relationship to religion Originally published in 1997 the second edition includes a new preface reflecting on Berger's work in the intervening years particularly on the relationship between humor and modernity Don't Tell Me What to Do, Just Send Money Helen E. Johnson, Christine Schelhas-Miller, 2011-07-05 This completely revised and updated edition of *Don't Tell Me What To Do Just Send Money* prepares parents for the issues that they will encounter during their children's college years Since our original publication over ten years ago there has been a dramatic increase in the use of cell phone and internet technology The birth of the term helicopter parent is in part due to the instant and frequent connectivity that parents have with their children today Parents are struggling with the appropriate use of communicative technology and aren't aware of its impact on their child's development both personally and academically With straightforward practicality and using humorous and helpful case examples and dialogues *Don't Tell Me What To Do Just Send Money* helps parents lay the groundwork for a new kind of relationship so that they can help their child more effectively handle everything they'll encounter during their college years
