2019 American Practical Navigator Bowditch Vol 1 & 2 Combined Edition Nathaniel Bowditch,2020-02-02 This 2019 edition of The American Practical Navigator Bowditch Pub No 9 exists to codify the latest body of marine navigation knowledge and practical application Its publication success is a result of the dedicated efforts of many hands and voices from academia science and seafaring experts This edition has advanced from the judiciously shaped recommendations some comprehensive some minute all indispensable of a multitude of maritime and science professionals At the same time it was equally essential that those recommendations be compared vetted and applied in a consistent manner and with a clear vision a challenging task performed in exemplary fashion by this edition s principal editor Dr Gerard J Clifford Jr *The American Practical Navigator Vol 2* Nathaniel Bowditch,National Agency,2017-12-18 This is the completely NEW EDITION of The American Practical Navigator Vol 2 I am honored to welcome you to the 2017 edition of Publication No 9 The American Practical Navigator or as most mariners refer to it Bowditch As a young Surface Warfare Officer serving in my first ship I quickly learned Bowditch should be my first resource for all things related to navigation oceanography and meteorology I never imagined that 25 years later I would be privileged to lead the team entrusted with updating this incredible document One can hardly imagine the time effort and pressure involved in undertaking such a task this is Bowditch after all None of us alone can equal the talent experience and skill of Nathaniel Bowditch as expressed in his first edition of 1802 As a result this edition is the outcome of countless hours of hard work by many dedicated passionate and skilled colleagues from a variety of

disciplines And it was this team of scientific and operational navigation experts led by Dr Jerry Clifford which has created this contemporary edition that stands ready to address the challenges faced by today s navigators and mariners Please take the time to read the long list of contributors to this edition I know you will be impressed by the depth and quality of our team Since the last edition there have been huge advancements in positioning methodologies and navigation systems In some cases what was old is new again so we focused considerable effort into improving the celestial navigation and piloting chapters Hand plotting latent fixes on paper charts has been overtaken by Electronic Chart Display and Information Systems that continuously tell you where you are provide warnings when standing into danger and display radar and Automatic Identification System information to heighten situational awareness Older graphics have been replaced by newer higher resolution images to better illustrate the purpose of the text Needless to say we are justifiably proud of this 2017 edition and equally honored to continue such a noteworthy legacy of the navigational expertise first introduced by Nathaniel Bowditch 215 years ago Wherever you may sail I trust this fine resource will assure your safe passage I wish you all fair winds and following seas CAPT Brian D Cannon CAPTAIN U S NAVY
