opportunity to learn how to increase personal potential to attain greater blessings in the Kingdom of God *God Does Not Want You To Go To Hell* Angelo Morales, 2025-03-07 Every human being in this world has an expiration date meaning their death date No one knows when that is going to take place in their life That is why we should live each day like if it were our last day here on earth because the human race has violated the laws of life given to them by God Almighty the Creator of heaven and earth So much has happened since the beginning that only a small fraction of the whole world's population through the millennia has responded and understood how all this came to be while the rest of the world seems to be oblivious of their life here on earth who are unaware of that life in the spiritual world That is why most people in hell don't even know why they are there or that hell even exists because of their lack of knowledge of the scriptures God has been warning the people on earth of that life in spiritual hell People are not concerned or interested in knowing of that life in hell until they get there and by then it will be too late for them All those warnings about hell are written in the Bible God even went further and wrote this book for the ungodly in this world named *God Does Not Want You to Go to Hell* It is all up to you now whether you are going to hell or not Choose life in Jesus and you will bypass this place called hell forever and if you don't this book will be a witness against you at your day of judgment in the spiritual world Now don't let this happen to you for you are living on borrowed time Accept Jesus as your Lord and Savior serve God faithfully and you will live and if not life and death is only a heartbeat away Here is the email address for this book and a PO Box address so I can receive letters from those who are saved by reading this book which is God's book choosejesusnohell yahoo com God's Books PO Box 44578 Brooklyn Ohio 44144
