Pereira,2023-06-02 With contributions from 22 scholars and empirical material from 29 countries within and beyond Latin America this book identifies subtypes of populism to further understand right wing populist movements parties leaders and governments It seeks to examine whether the term populism continues to have any validity and what relationship s it has to democracy Part 1 is an exploration of populism as an analytical concept It asks how populism can and should be defined whether populism can be broken down into subtypes and whether the use of the term within and beyond Latin America in recent scholarship has been consistent Part 2 focuses on political economy and specifically whether political economy explanations of both the causes and consequences of right wing populism fit recent cases in Latin America Europe and the Philippines Part 3 examines institutions and in particular institutions of coercion and digital communication It contains chapter studies on various aspects of populism in Brazil Spain India and Italy Part 4 concerns the coronavirus pandemic and the specific case of right wing populism in Brazil It examines the Bolsonaro government s response to the coronavirus pandemic and how that response exacerbated the health crisis and reduced the government s popularity Right Wing Populism in Latin America and Beyond is a timely and socially relevant contribution to the understanding of contemporary challenges to democracy It will be of interest to scholars students and practitioners eager to understand the rise in right wing agendas across the globe The Antipeople Sony Labou Tansi,Sony,2000-07-01 **The Valley of the Fallen** Donald Katz,2001-10-09 Few writers can match journalist Donald Katz s ability to make an exotic locale familiar or transform an ordinary place into something peculiar if not completely weird The Valley of the Fallen and Other Places gathers a pastiche of stories from around the world each of which subtly underlines the relationship between geography and politics Locations counties regions of the world emerge as characters in Katz s panoramic cast as fully drawn as the unusual people that occupy them so that one realizes of each particular account that this could only happen in a place like this The setting for each of these pieces whether home or abroad provides a resonant backdrop for Katz s startling perceptions and cultural acumen He paints a portrait of Spain in which people are dying of political repression and vividly depicts Italy in the throes of a postwar capitalist hangover Katz describes Arkansas its history of racial strife notwithstanding as an American cultural ark where respect for old fashioned gumption and the tolerance for human eccentricity have fostered a renaissance of spirit He captures the poignant ruin of political ideals gone amuck in the image of columns of Ethiopian children being herded through the night at gunpoint undergoing political re education Katz s observations of the Sinai where beliefs convictions even hunches become howling zeal contrast with Santa Fe s philosophical cogitating and quality of life improvement projects in a New Age mecca that breeds tamer but equally fervent faiths The cumulative effect of reading this

eclectic collection is one of wonder about the mysterious and dazzling world in which we live and the way our lives are shaped by our place in it *Get a Life* Vivienne Westwood,2016-10-13 Vivienne Westwood began *Get A Life* her online diary in 2010 with an impassioned post about Native American activist Leonard Peltier Since then she has written two or three entries each month discussing her life in fashion and her involvement with art politics and the environment Reading Vivienne's thoughts in her own words is as fascinating and provocative as you would expect from Britain's punk dame a woman who always says exactly what she believes And what a life One week you might find Vivienne up the Amazon highlighting tribal communities struggles to maintain the rainforest another might see her visiting Julian Assange in the Ecuadorian Embassy or driving up to David Cameron's house in the Cotswolds in a full on tank Then again Vivienne might be hanging out with her friend Pamela Anderson or in India for Naomi Campbell's birthday party or watching Black Sabbath in Hyde Park with Sharon Osbourne The beauty of Vivienne Westwood's diary is that it is so fresh and unpredictable In book form generously illustrated with her own selection of images it is irresistible *Latin America in Debate* Maristella Svampa,2025-07-04 Maristella Svampa provides a broad and accessible overview of the key political and intellectual debates in Latin American from the early twentieth century to the present *Postcolonial Criticism and Representations of African Dictatorship* Cecile Bishop,2017-07-05 The figure of the dictator looms large in representations of postcolonial Africa Since the late 1970s writers film makers and theorists have sought to represent the realities of dictatorship without endorsing the colonialist clichés portraying Africans as incapable of self government Against the heavily politicized responses provoked by this dilemma Bishop argues for a form of criticism that places the complexity of the reader's or spectator's experiences at the heart of its investigations Ranging across literature film and political theory this study calls for a reengagement with notions often seen as unwelcome diversions from political questions such as referentiality genre and aesthetics But rather than pit political approaches against formal and aesthetic procedures the author presents new insights into the interplay of the political and the aesthetic Cecile Bishop is a Junior Research Fellow in French at Somerville College Oxford [From Fascism to Populism in History](#) Federico Finchelstein,2019-08-20 What is fascism and what is populism What are their connections in history and theory and how should we address their significant differences What does it mean when pundits call Donald Trump a fascist or label as populist politicians who span left and right such as Hugo Chavez Juan Peron Rodrigo Duterte and Marine Le Pen Federico Finchelstein one of the leading scholars of fascist and populist ideologies synthesizes their history in order to answer these questions and offer a thoughtful perspective on how we might apply the concepts today While they belong to the same history and are often conflated fascism and populism actually represent distinct political trajectories Drawing on an expansive record of transnational fascism and postwar populist movements Finchelstein gives us insightful new ways to think about the state of democracy and political culture on a global scale This new edition includes an updated preface that brings the book up to date midway through the Trump presidency and the election of Jair Bolsonaro in

Brazil *In the Long Run We Are All Dead* Geoff Mann, 2017-01-24 In the ruins of the 2007 2008 financial crisis progressives the world over clamoured to resurrect the economic theory of John Maynard Keynes The crisis seemed to expose the disaster of small state free market liberalization and deregulation Keynesian political economy in contrast could put the state back at the heart of the economy and arm it with the knowledge needed to rescue us But what it was supposed to rescue us from was not so clear Was it the end of capitalism or the end of the world For Keynesianism the answer is both Geoff Mann's *In the Long Run We are All Dead* is a thoroughgoing critique of Keynes for our post crash world and an accessible and historically grounded introduction to his masterwork *The General Theory of Employment Interest and Money* Mann argues that Keynesianism is thus modern liberalism's most persuasive internal critique meeting two centuries of crisis with a proposal for capital without capitalism and revolution without revolutionaries [A History of Russian Philosophy](#) Valery A.
