

THE ANTIQUATED RIGHT

An Argument
for the Repeal
of the Second
Amendment

ANDREW CARLSON

The Antiquated Right An Argument For The Repeal Of The Second Amendment

Lei Huang

The Antiquated Right An Argument For The Repeal Of The Second Amendment:

The Antiquated Right Andrew Carlson, 2002 Over two hundred years ago the United States enacted a constitutional amendment ensuring the ability of states to form militias Although the militia has become obsolete over 30 000 Americans die every year by gunfire Both pro gun and pro control advocates put forth credible proposals for reducing gun violence but all too often this public policy debate gets sidetracked by invocation of the Second Amendment right to bear arms which improperly makes a constitutional issue out of a public policy matter This book argues for the repeal of the Second Amendment because this amendment no longer serves its original constitutional purpose and it disrupts the contemporary gun debate

The "equal Rights" Amendment United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Constitutional Amendments, 1970 **Hansard's Parliamentary Debates** Great Britain. Parliament, 1881 *Parliamentary Debates* ,1881 **Equal Rights 1970** United States. Congress. Senate. Committee on the Judiciary, 1970 *Cobbett's Parliamentary Debates* Great Britain. Parliament, 1971 **The Injustices of Rape** Catherine O. Jacquet, 2019-09-17 From 1950 to 1980 activists in the black freedom and women's liberation movements mounted significant campaigns in response to the injustices of rape These activists challenged the dominant legal and social discourses of the day and redefined the political agenda on sexual violence for over three decades How activists framed sexual violence as either racial injustice gender injustice or both was based in their respective frameworks of oppression The dominant discourse of the black freedom movement constructed rape primarily as the product of racism and white supremacy whereas the dominant discourse of women's liberation constructed rape as the result of sexism and male supremacy In *The Injustices of Rape* Catherine O Jacquet is the first to examine these two movement responses together explaining when and why they were in conflict when and why they converged and how activists both upheld and challenged them Throughout she uses the history of antirape activism to reveal the difficulty of challenging deeply ingrained racist and sexist ideologies the unevenness of reform and the necessity of an intersectional analysis to combat social injustice *The Examiner* ,1846 *The Law Times* ,1865
