they have the capacity to appreciate noble conduct daring deeds and a true life The author is not disposed to apologize for the exciting element as some have been pleased to denominate it of this and others of his stories If goodness and truth have been cast down if vice and sin have been raised up in the story an explanation would not and ought not to atone for the crime The writer degrades no saints he canonizes no villains He believes that his young friends admire and love the youthful heroes of the story because they are good and true because they are noble and self sacrificing and because they are generous and courageous and not merely because they engage in stirring adventures Exciting the youthful mind in the right direction is one thing exciting it in the wrong direction is quite another thing Once more it becomes the writer s pleasant duty to acknowledge the kindness of his young friends as well as of very many parents and guardians who have so often and so freely expressed their approbation of his efforts to please his readers He has been continually cheered by their kind letters and by their constant favor however manifested and he cannot help wondering that one who deserves so little should receive so much William T Adams      **Lost in the Fog** James De Mille,1871 The Brethren of the Order of the White Cross a boy s club reunite and embark on a perilous adventure      Little by Little; Or, The Cruise of the Flyaway Oliver Optic,1888      **Rich and Humble** Oliver Optic,1899      **Freaks of Fortune** Oliver Optic,2018-05-23 Reproduction of the original Freaks of Fortune by Oliver Optic      **Young Folks' pictures and Stories of Animals: Birds** Abby Amy Tenney,1898
