**A Chronological Revelation** David Kidd, 2019-07-24 The book of Revelation can present us with many questions How will we know when the end is coming upon us Is the United States mentioned in prophecy What is the order of events that will unfold Will Christians be on earth during the rise of the Antichrist And what will happen if I m alive during his reign But if God wanted us to study the book of Revelation to find answers why is it so hard to understand Maybe it is easier than it first appears In A Chronological Revelation you will begin a journey that takes you beyond a mere understanding of Revelation to encountering the very fabric with which God wove creation In Revelation all of the biblical prophecies penned by numerous authors over hundreds of years converge to reveal not only a clear picture of the end times but the true author and his character Through the beauty of this convergence the author of the universe reveals his omnipotence love justice and

Have you ever wondered what you were before you were born or what will happen after you dematerialize away in death from this physical dimension Quite often one part of your mind tells you that after you die you are going to be judged by God and after the judgment you will spend the rest of your existence in an uncomfortable place called hell or a place of pleasure called heaven The question is how exactly did Christ define our existence To understand our true nature we have analyzed many important statements made by Christ concerning this issue This nature reveals our true identities in the spirit what we really are what we are capable of where we came from and where we re heading As spiritual individuals we have also tapped into the realm of the spirit by making it substantial to get answers not just to everything in existence but also to things unheard of In this record the author reflects on his spiritual identity
