Connell, 2013-02-01 Praise for *Notes from a Bottle Found on the Beach at Carmel* A unique tour de force The New York Times Book Review One of the most remarkable books that I have read in a long time Kenneth Rexroth Mr Connell's Notes are what one intelligent sensitive artist has been able to salvage from all experience as testimony to the rather pathetic integrity of the human species in the face of extinction The book is no manual or tract however although its political meaning is unmistakable but a work of art even a work of high art Hayden Carruth **The Coming of Vertumnus: And Other Stories** Ian Watson, 2011-09-29 A collection of science fiction short stories by the author of *Lucky's Harvest* They feature dozens of characters a new way of travelling between the stars a strange planet magical powers bravura set pieces and manoeuvres of narrative *The Bishop and Other Stories* Anton Chekhov, 2020-12-08 The *Bishop and Other Stories* 1919 is a collection of short stories by Russian writer Anton Chekhov The title story of the collection originally published in 1902 finds the author at his most introspective Written while Chekhov was dealing with the long term effects of tuberculosis a period in which he began to accept the inevitability of his own death The Bishop is a meditative story that follows a dedicated man who in the face of oblivion wants nothing more than to go about his work to the best of his ability The Bishop is the story of a man named Pyotr Set during Easter Week it begins while Pyotr is passing out palms at a service on the night before Palm Sunday As he begins to feel faint he sees his mother whose presence he did not expect and begins to cry Over the next several days Pyotr goes about his duties caring for the sick and dying officiating at the local cathedral and meeting with his colleagues all while growing sicker and increasingly irritable As he succumbs to typhoid fever his mother and his faith are all he has left in a world that will soon forget him The Letter is a similarly religious earlier story in which a conversation between two priests Father Orlov and Father Anastasi is interrupted by the deacon As the three discuss what is to be done with the deacon's wayward son the difference between morality and mercy is illuminated for all to see The Bishop and Other Stories is a collection of seven short works of fiction by Russian literary icon Anton Chekhov With a beautifully designed cover and professionally typeset manuscript this edition of Anton Chekhov's *The Bishop and Other Stories* is a classic of Russian literature reimagined for modern readers The Cambridge Handbook of American Literature Jack Salzman, 1986-08-29 The *Cambridge Handbook of American Literature* offers a compact and accessible guide to the major landmarks of American literature **Slightly Chipped** Lawrence Goldstone, Nancy Goldstone, 2000-05-05 Continuing the couple's love affair with book collecting that was first shared with readers in *Used and Rare* the Goldstones get hooked on the correspondence and couplings of Bloomsbury track down Bram Stoker's earliest notes for *Dracula* and discover new places to buy rare tomes meeting eccentric personalities along the way The Oxford Companion to Twentieth-century
