**Scriptural views of our Lord Jesus Christ, as the creator, upholder and redeemer of the world; or, Looking unto Jesus** John FITZ GERALD (M.A.),1835      **Michael and Christ** Darrell D. Hannah,1999 In recent years a number of New Testament scholars have argued that Jewish beliefs and traditions about the principal angel hold the key to understanding why early Christians came to make such exalted claims about Jesus of Nazareth Jewish and early Christian traditions about the archangel Michael provide a ready test for this thesis For Michael is very often the principal figure in Jewish and early Christian angelology Darrell D Hannah examines Michael traditions from the Old Testament Jewish apocalyptic Qumran Philo the Rabbis Merkabah mysticism the New Testament Christian apocalyptic the New Testament Apocrypha and the Fathers of the second century From this mass of literature three forms of angelic Christology are evidenced First some early orthodox Christians developed an theophanic angel Christology That is they interpreted Old Testament passages about the angel of the Lord as pre incarnate manifestations of Christ Secondly some heretical forms of Jewish Christianity identified Christ as an incarnation of the highest archangel Finally some Christians found in Jewish speculations about the Principal Angel Michael Metatron Yahoel etc a conceptual framework within which to place a second divine figure Principal angel traditions particularly those about the archangel Michael were useful for elucidating the significance of Christ However orthodox Christians who made use of these traditions were very careful to avoid any implication that Christ possessed an angelic nature Orthodox Christians never regarded Christ merely as an angel not even as the angel The Shepherd of Hermas identified Christ with Michael but would seem to have been unique in this      **The Revised and Expanded Teachings of the Prophet Joseph Smith** ,2024-12-03 For nearly a century Teachings of the Prophet Joseph Smith first published in 1938 was the standard source for studying the profound teachings and revelations of

Talbot, *Prophecy Unfulfilled* represents a continuation of the author's quest for the truth of God by firstly uncovering the untruths that he had been taught during his formative years as a Catholic. Earlier works focused on the claimed new replacement covenant, the rejection of the Sabbath and the rejection of Torah. Using the rules of evidence as in a court of law, this study seeks to evaluate the claimed messianic prophecy fulfillment by Jesus some two thousand years ago. The first part of the book discusses the nature of evidence and how the rules regarding written evidence vary significantly from those of oral evidence, the latter being used most often by biblical scholars and Christian apologists. The first step is to authenticate the extant documents by examining the chain of custody and thus establish authority. Next is to authenticate the attributed authorship of the writings to determine whether the authors were firsthand witnesses of the events they described or whether their narratives are hearsay with or without corroboration. Where little verbal agreement is found, this is circumstantial evidence of separate traditions developing the resultant theology. The study proceeds by examining every verse in the NKJV New King James Version of the New Testament that is annotated as being in fulfillment of prophecy, comparing the wording against both the NKJV Old Testament and an English translation of the Hebrew scriptures. Where significant variations exist, the author seeks an understanding from New Testament scholars, whom he frequently quotes. The eschatological temper of the early church is given due consideration, especially concerning the expectations of the Jews regarding the mission of the Messiah. Finally, the accomplishments of Jesus as enshrined in Christian creeds are compared with what is spoken of by the prophets. The author's conclusion is encapsulated in the book's title: The Second Coming of Christ. J. C. Waller, 1864.

**The Rise of the Kingdom of Heaven, Volume 1 (Paperback)** Gerhard Alm, 2008-10-25. Living in a Hippie Community in the Australian rainforest. I in January 1992 started to write about my visions and spiritual experiences. I described ten places in our heads as homes of the human spirit. There are many publicly known people who are involved in the move of the Earth to a higher dimension in 2013. More than 200,000 people live on Earth and at the same time on a parallel world which is a home for immortal people. The evangelist John spoke with a Cross of Light. I believe that a new Cross of Light will appear on Earth soon. In July 1979 I met the devil and his wife on the inner German border. I name some people who have been the devil of previous Earth like planets in older universes. Alex Collier wrote in '95 that since my 40th birthday on 3.23.1994 vibrations leave all black holes of our local universe changing its nature, lifting all planets into higher dimensions. I believe these frequencies come from the Immortals living on Earth now, including me.

*Interpreting Daniel for Preaching and Teaching* Thomas J. Finley, Brandon R. Cash, 2024-01-24. Daniel is a book intended to be read thoroughly from beginning to end. The final verse 12:13 promises a restoration of what was lost in the first two verses 1:1-2. Between these bookends with artistic flare, historical accuracy, and apocalyptic hope, Daniel encourages readers that God was, is, and always will be in control. The book's portrayal of God, its rich theology, and its contribution to the spiritual formation of God's people influenced Jesus, the New Testament writers, and the early church, and it deserves a place of prominence in the church today.

**Mysteries of Gods and Symbols** Seven Star Hand, 2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders Throughout this book I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them The Mark of the Beast Revelation 13 Ezra Celestin, 2014-07-18 Christians view the mark of the beast

as something futuristic The receiving of the mark of the beast commands the wrath and indignation of God and the consequences are severe Many Christians has already accepted the mark of the beast unbeknownst to them They do not have a clear vision as to whom or what is the beast Each denomination has their interpretation of the beast and how and when it will manifest The word says And the third angel followed them saying with a loud voice If any man worship the beast and his image and receive his mark in his forehead or in his hand the same shall drink of the wine of the wrath of God which is poured out without mixture into the cup of his indignation and he shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb Revelation 14 9 10 Many Christian denominations believe the prophecy points to the papacy as the beast However in scripture the Papal system has never been a beast is not a beast and will never be a beast To call that system the beast is to take the word of God on a very long stretch This horn functions both politically and as a Christian Church It persecuted and killed any Christian who disagrees with its dogmas The word says the Saints shall be given into his hand until a time and times and the dividing of time and he would come to his end unto the end Nowhere in scripture is it indicated that this horn power will regain its dominion to persecute the saints of God as it did for over twelve hundred years Then who is the beast This book has the answer Reviewed by Online Book Club Official Review
