Phyllis Tickle was a key figure in bringing discussions about religion into the nation's cultural and intellectual mainstream. *Prayer Is a Place* is her insightful first person account of the people she has met and the trends she has observed over twelve crucial years of change in American religion. Tickle writes about her face to face meetings with such luminaries as the Dalai Lama, Archbishop Desmond Tutu, and the Chief Mullah of Jerusalem; describes speeches and conferences that redefined traditional religions; and chronicles the birth of new approaches to religion and spirituality. The result is a fascinating overview of the reconfiguration of religion in America and its impact on our culture. In charting the changes, passions, and innovations that have occurred, Tickle remains a clear-eyed, unbiased, and sympathetic observer. From her lively reminiscences of the 1003 Parliament of the World's Religions, a seminal gathering of Christians, Jews, Muslims, and Buddhists, to an intriguing look at the rise of Gnosticism in the country, to a cogent analysis of the spirituality movements that swept through America during the last decades of the twentieth century, *Prayer Is a Place* reminds readers that reverence can be expressed in many different forms and in many different settings.
