**CleanEra - A Collection of Research Projects for Sustainable Aviation** The CleanEra Team, 2015-10-21 The CleanEra project was initiated with the goal of developing revolutionary ideas for civil aviation These ideas were to offer solutions which would limit and reduce some of the negative aspects of aviation namely emissions and the use of resources This book presents you with the highlights of this journey in search of new technologies for a revolutionary aircraft an aircraft that not only offers a future of comfortable air travel for the passenger but a future of sustainable aviation for the planet as well

Plane Truth Rose Bridger, 2013-10-09 As aviation is celebrated as one of the world's fastest growing industries with passenger numbers and cargo volumes projected to double in the next 20 years Plane Truth sounds a note of caution In addition to the environmental impact of airport expansion devouring farmland and wildlife habitats and aviation's impact of noise and air pollution on communities Rose Bridger reveals the extraordinary government subsidies for the aviation industry encompassing government expenditure on infrastructure to tax breaks all of which serve to support the industry in the face of rising oil prices and global economic downturn Disavowing greenwashing claims of fuel efficient aircraft and alternative fuels that will enable growth without climate change from British Airways to American Airlines the symbiotic relationship between aviation and the wider socio economic problems facing humanity is manifest

The Moralist International Kristina Stoeckl, Dmitry Uzlaner, 2022-12-20 The Moralist International analyzes the role of the Russian Orthodox Church and the Russian state in the global culture wars over gender and reproductive rights and religious freedom It shows how the Russian Orthodox Church in the past thirty years first acquired knowledge about the dynamics issues and strategies of Right Wing Christian groups how the Moscow Patriarchate has shaped its traditionalist agenda accordingly and how the close alliance between church and state has turned Russia into a norm entrepreneur for international moral

conservatism Including detailed case studies of the World Congress of Families anti abortion activism and the global homeschooling movement the book identifies the key factors causes and actors of this process Kristina Stoeckl and Dmitry Uzlaner then develop the concept of conservative aggiornamento to describe Russian traditionalism as the result of conservative religious modernization and the globalization of Christian social conservatism The Moralist International continues a line of research on the globalization of the culture wars that challenges the widespread perception that it is only progressive actors who use the international human rights regime to achieve their goals by demonstrating that conservative actors do the same The book offers a new original perspective that firmly embeds the conservative turn of post Soviet Russia in the transnational dynamics of the global culture wars The Moralist International is available from the publisher on an open access basis
