The Armalite Maiden:

The Armalite Maiden Jonathan Kebbe, 1990 Demons, Hamlets and Femmes Fatales Jayne Steel, 2007 The book provides a lively discussion of the ways in which popular fiction appropriates the figure of the Provisional IRA activist and the political conflict within the north of Ireland It looks at how authors recreations or transformations of Irish republicanism might reveal self referential images that are ultimately a product of national identity and or gender identity An important focus of the book interrogates British fascination and fixation with the Provisional IRA and its terrors The many novels discussed in this study include Gerald Seymour Harry s Game Campbell Armstrong Jig Bernard MacLaverty Cal Mary Costello Titanic Town Jennifer Johnston Shadows on our Skin Deidre Madden One by One through the Darkness The A to Z of the Northern Ireland Conflict Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone s problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject *If It Was Not For Terrorism* Banu Baybars Hawks, Lemi Baruh, 2011-07-12 If It Was Not for Terrorism Crisis Compromise and Elite Discourse in the Age of War on Terror aims to investigate questions regarding the hegemonic power that is exercised by elites and mass media through the discourse of War on Terror The chapters in the volume provide case studies from a wide variety of geographies to debate questions regarding the construction of the meaning of terrorism communication of collective identities and otherness and media frames regarding the War on Terror civil liberties and government restrictions In bringing this collection together it was the editors intention to provide a venue for discussion of expressions and diverse concerns around the themes of media and terrorism from international and interdisciplinary perspectives The edited volume is divided into two parts The first part focuses on elite discourse about the definition of terrorism and discursive strategies involved in construction of us vs others The second part of the volume investigates issues related to media framing of the compromises that are deemed necessary for success in the War on Terror At the same time several chapters of this part also identify opportunities for resistance to hegemonic discourse The Thriller and Northern Ireland since 1969 Aaron

Kelly, 2017-03-02 For the past 30 years the so called Troubles thriller has been the dominant fictional mode for representing Northern Ireland leading to the charge that the crudity of this popular genre appropriately reflects the social degradation of the North Aaron Kelly challenges both these judgments showing that the historical questions raised by setting a thriller in Northern Ireland disrupt the conventions of the crime novel and allow for a new understanding of both the genre and the country Two essays on crime fiction by Walter Benjamin and Berthold Brecht appear here for the first time in English translation By demonstrating the relevance of these theorists as well as other key European thinkers such as Antonio Gramsci Louis Althusser and Slavoj Zizek to his interdisciplinary study of Irish culture and the crime novel Kelly refutes the idea that Northern Ireland is a stagnate anomaly that has been bypassed by European history and remained impervious to cultural transformation On the contrary Kelly's examination of authors such as Jack Higgins Tom Clancy Gerald Seymour Colin Bateman and Eoin McNamee shows that profound historical change and complexity have characterized both Northern Ireland and the thriller form

Historical Dictionary of the Northern Ireland Conflict Gordon Gillespie, 2017-03-16 The second edition of the *Historical Dictionary of the Northern Ireland Conflict* provides an accessible and comprehensive study of the conflict and peace process in Northern Ireland from the 1960s to 2016 The second edition of the book expands on the references relating to individuals organizations and events of the Northern Ireland Troubles and adds material on significant subsequent developments This the work provides a unique view of developments since the signing of the Good Friday Agreement in 1998 While widely heralded as the end of the Northern Ireland conflict the agreement instead witnessed the beginning of a new series of political difficulties to be addressed The *Historical Dictionary of the Northern Ireland Conflict* is the first significant reference work to examine many of the issues related to political and cultural conflicts and dealing with the past which have grown in intensity since 1998 Many of these themes will be relevant to students of post conflict societies in other areas of the world This second edition of *Historical Dictionary of the Northern Ireland Conflict* contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture

Stepping Stones Mark Carruthers, Stephen Douds, 2001 The troubles of 1971 to 2001 saw Northern Ireland catapulted into the headlines across the world yet during the dark years of violence there was an impressive but much less reported flourishing of creative energy In this work a panel of writers comment on the artistic accomplishment of this extraordinary period Inspired by Causeway Michael Longley's powerful collection of essays published in 1971 this volume records the highs and lows of the years 1971 to 2000 of northern theatre poetry fiction visual arts and music as well as discussing the work of internationally famous local figures like Nobel poet Seamus Heaney and Oscar winning actors Liam Neeson and Stephen Rea It celebrates the best in achievement but also points out what was less successful and suggests how the various arts disciplines might develop in the years immediately ahead

Northern Ireland: An Agony Continued Ken Wharton,2015-05-19 This book is called An Agony Continued because it was simply that an agony It was an agony which commenced at the end of the 1960s and as the new decade of the 80s arrived so the pain the grief the loss and the economic destruction of Northern Ireland continued Little did any of us know at the time but it was to do so for almost a further two decades Between January 1980 and December 1989 around 1 000 people died many were soldiers and policemen some were Prison Officers some were paramilitaries and some were innocent civilians The Provisional IRA PIRA and their slightly more psychopathic cousins in the Irish National Liberation Army INLA would continue to kill innocent civilians by the score during this decade Across the sectarian divide the Ulster Freedom Fighters UFF and the equally vicious Ulster Volunteer Force UVF would continue to slaughter Catholics in streets in pubs and in restaurants This book will look at the period which encompassed the 48 months of 1980 and 1983 It was a near half decade which saw the Hyde Park and Regent s Park massacre of soldiers and horses from the Blues and Royals and the cowardly bombing of the Royal Green Jackets band It further witnessed the murder of 18 people by the INLA at a disco held in the Droppin Well in Ballykelly and also the death of the leader of the Shankill Butchers Lenny Murphy The years under study include the 1981 deaths of ten Republican paramilitaries who starved themselves to death in protest against the loss of their status as political prisoners As ever this book pulls no punches in its absolute detestation of both Republican and Loyalist paramilitaries This book continues Ken Wharton s epic journey through the Troubles in Northern Ireland viewed primarily through the eyes of the British Army squaddies on the ground **Fivemiletown** Tom Paulin,2010-12-09 To say that Fivemiletown was one of the best books of the Eighties isn t enough it is one of the best books I know or for that matter am capable of imagining a corrosive and uproarious litany of bad sex bad politics and bad religion Michael Hofmann **Books** ,1989-04 *Books Ireland* ,1990 **The Cumulative Book Index** ,1991 A world list of books in the English language *Whitaker's Book List* ,1991 The Bookseller and the Stationery Trades' Journal ,1992 Official organ of the book trade of the United Kingdom

Consociational Theory Rupert Taylor,2009-03-20 Consociational theory explains how democratic stability is possible in culturally or ethnically segmented political systems It is one of the most important theories in Comparative Politics and one

of the most contested This volume brings together the leading proponents and opponents of consociational theory and conflict resolution The Yank John Crawley,2022-09-06 1975 A young Irish American man joins an elite US Marine unit to get the most intensive military training possible then joins the Irish Republican Army during the days of some of the bloodiest fighting ever in the Irish British conflict The Irish Troubles were at a murderous fever pitch when John Crawley volunteered for the IRA Bloody Friday Bloody Sunday the bombing of the British Houses of Parliament and other deadly incidents had recently unfolded or were about to Civilian casualties were common as British soldiers Republican militants who wanted the UK out of Northern Ireland and Unionist police and militants who wanted to remain in the UK engaged in gun battles and car bombing throughout Northern Ireland The death toll numbered over 1 000 The IRA split over how to react between the old line IRA and the new Provisional IRA the Provos mostly impassioned young men who were not hesitant to resort to violence In a powerful brutally honest no holds barred recounting of his experience John Crawley details first the grueling challenges of his Marine Corps training then how he put his hard earned munitions and demolitions skills to use back in Ireland in service of the Provos It is a story that will see him running guns with notorious American mobster and secret IRA fundraiser Whitey Bulger running under cover of night from safe house to safe house in the Irish countryside one step ahead of British troops being captured imprisoned and being part of a mass escape attempt fending off a recruitment offer from the CIA and being one of the masterminds behind a campaign to take out London s electrical system Along the way Crawley is blisteringly candid about the memorable people he worked with including behind the scenes portrayals of revered IRA leader Martin McGuinness and of the psychopathic Whitey Bulger as well as others in the Boston IRA support network There are vivid portraits of colleagues and enemies and Crawley is unflinching in his commentary on IRA leadership and their tactics both military and political Through it all comes the steadfast voice of a man on a mission providing an evocative detailed and passionate recounting of where that mission led him and why as well as why to this day he remains ready to serve *The British National Bibliography* Arthur James Wells,2009

The Top Books of the Year The Armalite Maiden The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Armalite Maiden : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
