Show Me How to Preach Evangelistic Sermons R. Larry Moyer, Author and evangelistic speaker R Larry Moyer shows pastors and speakers how to communicate the good news In twenty seven helpful chapters he explains why expository evangelistic preaching is so important and offers guidance for compellingly delivering the message of the gospel

Wonder Reborn Thomas Troeger, 2010-07-27 This book explores an issue at the nerve of the long term health of all churches how godly wonder can be reborn through renewed attention to the place of beauty in preaching and worship The book opens with an exploration of the theological and cultural difficulties of defining beauty It traces the church s historical ambivalence about beauty and art and describes how in our own day the concept of beauty has been commercialized and degraded Troeger develops a theologically informed aesthetic that provides a counter cultural vision of beauty flowing from the love of God The book demonstrates how preachers can reclaim the place of beauty in preaching and worship Chapter two employs the concept of midrash to mine the history of congregational song as a resource for sermons Chapter three introduces methods from musicology for creating sermons on instrumental and choral works and for integrating word and music more effectively Chapter four explores how the close relationship between poetry and prayer can stir the homiletical imagination Each of these chapters includes a selection of the author s sermons illustrating how preachers can use these varied art forms to open a congregation to the beauty of God A final chapter recounts the responses of congregation members to whom the sermons were delivered It uses the insights gained from those experiences to affirm how the human heart hungers for a vision of wonder and beauty that empowers people to live more faithfully in the world *The Art of Preaching Old Testament Narrative* STEVEN D. MATHEWSON, 2021-06-15 A veteran pastor with thirty years of experience offers a ten step process to preaching Old Testament narratives from text selection to delivery The first edition received a

Christianity Today award of merit and a Preaching magazine Book of the Year award This edition now updated and revised throughout for a new generation includes a new chapter on how to preach Christ from the Old Testament and an exemplary sample sermon from Mathewson Foreword by Haddon W Robinson *Expository Preaching in Africa* Ezekiel A.

Ajibade,2021-06-30 How can expository preaching rooted in a textual analysis of Scripture be effectively utilized in oral cultures In *Expository Preaching in Africa* Ezekiel A Ajibade engages this challenge directly offering practical techniques for integrating African oral elements such as myths proverbs folklore dance drama poetry and storytelling into preaching that is both biblical and African Alongside numerous examples and tools Ajibade provides a rich overview of the nature of orality the history and development of African preaching and the reason biblical exposition must be central to gospel proclamation He reminds us that it is the word of God incarnated among us that has the power to transform lives and revitalize nations Contextualized expository preaching is not therefore one technique to be utilized among many it is rather the heart of biblical teaching and the future of the African church While contributing significantly to studies in contextualization and homiletics this book is immediately applicable to practitioners especially African preachers and those working in oral contexts

Preaching in Pictures Peter Jonker,2015-05-19 The preachers words are meant to connect to resonate with and influence hearers Too often sermons fall short *Preaching in Pictures Using Images for Sermons that Connect* shows how to choose use and illustrate a controlling image in every sermon Readers learn how one effective image can cause the proclaimed word to sink in and transform the listener Peter Jonker helps readers to build skill and confidence with practical instruction examples and straightforward teaching Good preaching isn't just the dissemination of information it is a conduit of Spirit empowered formation Such formative preaching doesn't convince the intellect it captures the imagination A controlling image has the power to do just this to capture the imagination Peter Jonker invites preachers to understand and to effectively use controlling images for formation of the hearer This great book is erudite and accessible theoretically grounded and yet intensely practical complete with exercises I'll be pointing preachers to it from now on James K A Smith author of *Desiring the Kingdom* Worship Worldview and Cultural Formation *Preaching in Pictures* opened eyes of my imagination I can't wait to write my next sermon Heidi DeJonge Pastor Westside Fellowship Christian Reformed Church Kingston Ontario Peter Jonker offers preachers practical ways to connect the gospel in the hearts of listeners with a wealth of helpful examples This is a fresh and welcome perspective just the book for preachers whose sermons have reached their shelf life and are in need of new energy John Michael Rottman Professor of Preaching Calvin Theological Seminary Sane balanced assured but also strikingly insightful Peter Jonker's writing is a sheer gift to anyone interested in eventful preaching Every page is worth pondering Jonker writes with great verve and authority Cornelius Plantinga Jr Author of *Reading for Preaching The Preacher in Conversation with Storytellers Biographers Poets and Journalists* *How to Preach the Prophets for All Their Worth* Andrew G. M. Hamilton,2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation

They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word

The Oxford Dictionary of the Christian Church Andrew Louth, 2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader

Using Illustrations to Preach with Power (Revised Edition) Bryan Chapell, 2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermonic tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they're important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications

in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people s hearts long after your sermon is done **Interpretation and Application** Craig Brian Larson,2022-05-03 How does one best make ancient biblical texts pertinent to the 21st Century listener while still maintaining the integrity of the Scriptures Interpretation and Application is designed to provide guidance on how to interpret and apply God s word honestly and accurately in a sermon This collection of short interviews essays and sermons is from today s best known preacher s including Jeffrey Arthurs Haddon Robinson Joshua Harris David Jackman and John Henry Beukema The first section addresses important ways to ensure that your sermon doesn t ignore or mishandle God s word Chapters such as Let the Text Question Your Framework and Preaching the Melodic Line emphasize the importance of biblical truth over personal style or opinion and focus on drawing out the deeper themes within Scripture The second half addresses how the Bible intersects with real life because application is about explaining equipping and truly speaking to the hearts of the congregation Chapters like Blending Bible Content and Life Application and Sermon Application in a Post Christian Culture address how to preach accurately from the Bible while still having a regard for the listener s life questions and level of spiritual maturity **Recapturing the Voice of God** Steven W. Smith,2015-06 In Recapturing the Voice of God veteran preacher Steven W Smith teaches how to preach genre sensitive text driven sermons to allow the structure of the text to be the structure of the sermon **How to Preach without Notes** Charles W. Koller,2007-09-01 This is a classic that has stood the test of time For forty five years seminary students and pastors have benefited from the principles found in this book Two of Koller s popular texts Expository Preaching without Notes and Sermons Preached without Notes are combined in a single volume that allows preachers to prepare and deliver sermons without being tied to a manuscript or even outlines or notes Among the eighteen topics discussed are the biblical conception of preaching the advantages of preaching without notes homiletical devices the importance of structure and the systematic filing of materials Now repackaged for the next generation of preachers with a foreword by current Northern Seminary preaching professor Michael J Quicke How to Preach without Notes is poised to continue its history of strong and steady sales
