Intercultural Competence and Pragmatics Gila A. Schauer, 2023-12-12 This Open Access book examines the link between intercultural competence IC and pragmatics by asking frontline modern foreign language teachers in higher education teaching a variety of languages e g Dutch English French German Italian Spanish Swedish how they conceptualise intercultural competence and which skills competences and knowledge they consider important in their teaching contexts The data were collected with an online survey that focused on the relationship between intercultural competence and pragmatics While international organizations such as the United Nations Educational Scientific and Cultural Organization UNESCO or the Council of Europe CoE agree that intercultural competence should play an important role in education it is not always clear what IC may encompass in specific teaching contexts and subject areas Examining how modern foreign language teachers in higher education

conceptualise intercultural competence and the value they attach as well as the attention they give to various areas of pragmatics in their teaching is highly important since those language professionals may be the final teachers learners encounter during their formal foreign language education They are therefore in a unique position to shape modern foreign language learners intercultural and pragmatic awareness competence and skills This book will be of interest to language professionals modern foreign language teachers and teacher trainers as well as students and scholars of applied linguistics pragmatics and language education

Celebrating First Nations Languages and Language Learning in Australian Schools
 Carly Steele, Robyn Ober, Rhonda Oliver, 2025-04-30 This book introduces key underlying principles for teaching First Nations languages and language learners in schools across a range of contexts It takes a comprehensive approach covering traditional languages new languages and English At a critical time for Indigenous languages across the globe the United Nations Decade of Indigenous Languages 2022 2032 draws attention to the endangerment of these languages and advocates for the role of education to preserve and revitalise Indigenous languages At the same time many new language varieties spoken by Indigenous peoples often remain unrecognised in education systems and their English language learning needs are left unaddressed This book provides crucial information to enhance the reader's knowledge of these critical issues in language and education with a view to promote future action The chapters showcase the advocacy activism and allyship for First Nations languages and language learners undertaken by educators education systems and researchers in Australia With a practical focus this book illustrates innovative and contemporary approaches to language learning for First Nations students educators can use this text to guide and develop language learning approaches in their respective contexts This is a foundational resource for both Indigenous and non Indigenous teachers and aspiring teachers alike and all education professionals who appreciate the fundamental importance of language in education
