DYLAN LAWSON IS a typical 13 year old boy growing up in a small rural community in the northern Adirondacks of New York a community that provides a lifestyle rich in outdoor adventure and homespun values Together with his best friends Brennan and Kennedi Dylan finds adventure and excitement in what always turns out to be anything but a typical day But Dylan lives in a different world than everyone else Dylan is the world's biggest daydreamer and he lives his life in both the real world and his dream world Worlds that often collide causing struggles and challenges that also provide valuable lessons learned It begins with a harrowing experience when the boys find themselves lost on Titus Mountain in the midst of the season's worst snowstorm and ends with the kids taking on the challenge of solving the great murder mystery when they stumble upon a dead body while out kayaking In between they become entrepreneurs of a successful start up business as a result of a school project compete for the state championship on the school's hockey team attempt to win a national contest to bring a superstar singer to perform at the school's spring dance confront a terrorist attack at school and become entangled in many more adventures Dylan's daydreaming often causes him to be absent minded disengaged and irresponsible but with the help of his adult mentors he ultimately uses his vivid imagination to become a real life hero
Daydreamer is an entertaining and enlightening adventure story with comic book like superhero excitement and unexpected twists as Dylan's world moves from reality to fantasy The action packed suspense within each story and adventure will keep you riveted and guessing but is it real or just another Dylan Lawson daydream This book is dedicated to all my family and friends in hopes that it encourages them to always dream big and to use the power of imagination to find peace contentment and joy in their lives JAMES E DEVOE lives in Rochester New York with his wife Both he and his wife were born and raised in northern New York and own summer cottages on Indian Lake He has two adult children four grandsons and a yellow lab named Jessi Plot When Jim Lawson Dylan's father and a sergeant with the New York State Police is put in charge of

investigating a smuggling ring suspected to be running contraband across the U S and Canada border on Native American Indian territory a clash of cultures and economic greed confronts the normally quiet surrounding Adirondack towns The conflict grows more intense when the young grandson of a tribal chief is kidnapped followed by the discovery of two mysterious murders Dylan and his two best friends Brennan and Kennedy find themselves in the middle of it all when their own life adventures intersect with the murder mysteries Theme Dylan Lawson is a typical 13 year old boy but he lives in a different world than everyone else Dylan is the world s greatest daydreamer and he lives his life in both the real world and his dream world In his dream world Dylan lives a comic book super hero like life but his dream world often collides with his real world when his daydreaming leaves him inattentive absent minded and irresponsible Dylan struggles with the conflicts between his two worlds but with guidance from various mentors he learns valuable life lessons from every daydream conflict and adventure Ultimately Dylan uses his imagination and dream world to become a real life hero Story Lessons It s not the quantity that counts most in life it s the quality Dylan wants it all but ultimately learns the value of making choices and limitations in his life Revenge is what you inflict on others but redemption is what you gain for yourself Dylan is tempted to get even with an opponent but learns to seek self redemption rather than revenge against others Loyalty friendliness and non judgmental unconditional love are key traits to aspire to Dylan comes
