Slaves Spices And Ivory In Zanzibar:

Slaves, Spices and Ivory in Zanzibar Abdul Sheriff, 1987-09-30 The rise of Zanzibar was based on two major economic transformations Firstly slaves became used for producing cloves and grains for export Previously the slaves themselves were exported Secondly there was an increased international demand for luxuries such as ivory At the same time the price of imported manufactured goods was falling Zanzibar took advantage of its strategic position to trade as far as the Great Lakes However this very economic success increasingly subordinated Zanzibar to Britain with its anti slavery crusade and its control over the Indian merchant class Professor Sheriff analyses the early stages of the underdevelopment of East Africa and provides a corrective to the dominance of political and diplomatic factors in the history of the area **Slaves, Spices, &**

Ivory in Zanzibar Abdul Sheriff, 1987 **Slaves, Spices, & Ivory in Zanzibar** Abdul Sheriff, 1987 The rise of Zanzibar was based on two major economic transformations firstly slaves became used for the production of cloves and grain for export instead of the slaves themselves being exported secondly there was an increased demand for luxuries such as ivory and Zanzibar took advantage of its strategic position to trade as far as the Great Lakes Yet this economic success increasingly subordinated Zanzibar to Britain with its anti slavery crusade and its control over the Indian merchant class North America Ohio U Press Kenya EAEP Sojourners, Sultans, and Slaves Gunja SenGupta, Awam Amkpa, 2025-12-16 In the nineteenth

century global systems of capitalism and empire knit the North Atlantic and Indian Ocean worlds into international networks in contest over the meanings of slavery and freedom *Sojourners Sultans and Slaves* mines multinational archives to illuminate the Atlantic reverberations of US mercantile projects free labor experiments and slaveholding in western Indian Ocean societies Gunja SenGupta and Awam Amkpa profile transnational human rights campaigns They show how the discourses of poverty kinship and care could be adapted to defend servitude in different parts of the world revealing the tenuous boundaries that such discourses shared with liberal contractual notions of freedom An intercontinental cast of empire builders and migrants slavers and reformers a cotton queen and courtesans and fugitive slaves and concubines populates the pages fleshing out on a granular level the interface between the personal domestic and international politics of slavery in the East in the age of empire By extending the transnational framework of US slavery and abolition histories beyond the Atlantic Gunja SenGupta and Awam Amkpa recover vivid stories and prompt reflections on the comparative workings of subaltern agency *Captives and Companions* Justin Marozzi, 2025-10-21 The definitive history of the slave

trade in the Islamic world a story that has been overshadowed by its notorious but shorter lived Atlantic counterpart Slavery in the Islamic world has a long complex and controversial history In the earliest days of Islam Arab Muslims enslaved men women and children as the spoils of war In the following centuries young boys were imported to imperial Islamic courts in enormous numbers Some were castrated to serve as eunuch guardians of sacred spaces from the imperial harem of Istanbul to the Prophet's Mosque in Medina Others were harvested by the Ottomans to serve as Janissaries the sultan's elite infantry

unit Some even rose to the highest levels of political and military command making a mockery of their slave status For women leading concubines became powerful figures in their own right In the ninth century Golden Age of Baghdad the most beautiful and accomplished courtesans were among the richest most celebrated figures of their day In the twentieth century more than a thousand years later their cosmopolitan counterparts were still entertaining Ottoman sultans Yet it was Africa which bore the brunt of the Islamic world's insatiable demand for slave labour Slavers plied its Mediterranean Atlantic and Indian Ocean coasts traders raided inland for human cargo and millions of enslaved Africans trudged across the Sahara into captivity Meanwhile North African corsairs turned the Mediterranean into a slaving free for all between Muslims Christians and Jews The sheer longevity of slavery was no less surprising Arab Muslims adapted and regulated this practice within an Islamic context Sanctioned by the Prophet Mohammed legitimated by the Quran and holy law slavery endured for fifteen centuries Abolition had few champions and came late in the day hereditary slavery continues even today in Mali and Mauritania

Captives and Companions takes the reader on an extraordinary historical journey across deserts continents and oceans from Baghdad to Bamako Tripoli to Timbuktu Istanbul to the Black Sea and reveals a hidden but vital chapter in our understanding of world civilization

Asian Entrepreneurial Minorities Christine Dobbin, 2013-01-11 Advances the theoretical understanding of the behaviour of entrepreneurial minorities and draws a vivid picture of how various imperial powers came to rely on local entrepreneurial minorities to establish their hegemony in Asia

Sailors, Slaves, and Immigrants A. Stanziani, 2014-09-04 Slaves convicts and unfree immigrants have traveled the oceans throughout human history but the conventional Atlantic World historical paradigm has narrowed our understanding of modernity This provocative study contrasts the Atlantic conflation of freedom and the sea with the complex relationships in the Indian Ocean in the long 19th century

Slave Trade Profiteers in the Western Indian Ocean Hideaki Suzuki, 2017-10-12 This book examines how slave traders interacted with and resisted the British suppression campaign in the nineteenth century western Indian Ocean By focusing on the transporters buyers sellers and users of slaves in the region the book traces the many links between slave trafficking and other types of trade Drawing upon first person slave accounts travelogues and archival sources it documents the impact of abolition on Zanzibar politics Indian merchants East African coastal urban societies and the entirety of maritime trade in the region Ultimately this ground breaking work uncovers how western Indian Ocean societies experienced the slave trade suppression campaign as a political intervention with important implications for Indian Ocean history and the history of the slave trade

The Sultan's Shadow Christiane Bird, 2010 A dramatic account of the slave trade in the early 19th century Indian Ocean is presented through the stories of the Omani Sultan Said and his daughter Princess Salme offering insight into the Arabian Peninsula kingdom's lucrative growth and ties to America

Structure of Slavery in Indian Ocean Africa and Asia Gwyn Campbell, 2004-11-23 The abolition of slavery in and around the Western Indian Ocean have been little studied This collection examines the meaning of slavery and its abolition in relation to specific

indigenous societies and to Islam a religion that embraced the entire region and draws comparisons between similar developments in the Atlantic system Case studies include South Africa Mauritius Madagascar the Benadir Coast Arabia the Persian Gulf and India This volume marks an important new development in the study of slavery and its abolition in general and an original approach to the history of slavery in the Indian Ocean and Asia regions
