

Small talk is a social skill. It is used to make conversation with people you have just met or don't know well. A good way to make small talk is to ask questions.

Here are three reasons why:

1. People enjoy talking about themselves.
2. It's easier for you. You can listen more than talk.
3. You might learn something new or interesting.

What do people talk about?	Safe topics like the weather, current location, hometown, public transport, languages, hobbies and interests, sports, food and drink, the weekend, travel, music, films, local events, the news, etc.
Where do people make small talk?	Anywhere - in an office, a lift, at a bus stop, at an airport, in a cafe, at a party, before a meeting, etc.
Why do people make small talk?	To be friendly, fill time or get to know someone.

Example small talk questions

Weather

- Isn't the weather nice today?
- It's a lovely day, isn't it?

Current location

- Have you been here before?
- What do you think of this place?

Write two small talk questions for each topic.

Useful question prompts: *Do you...? Are you...? Have you (ever)...? What's your...? What do you...? How often do you...? Where do/are you...?*
