Conscious Discipline Rebecca Anne Bailey, 2001-01-01 Provides an introduction to Conscious Discipline a social and emotional intelligence classroom management program designed to give teachers the discipline skills they need to address the emotional and social issues of children in the twenty first century

The Kids are Smart Enough, So What's the Problem? Richard W. Garrett, 2017-12-06 There is a national crisis in education and it's not the highly debated philosophical discussions or heated political arguments we are used to hearing Survey data establishes the fact that classrooms throughout the nation suffer from the presence of a small percentage of misbehaving students Teachers are ill equipped to deal with these disruptive students resulting in lost classroom time and demoralized educators who are perpetually blamed for the student's bad performance The root cause of these misbehaving children is not a lack of intellectual ability but a lack of character and grit the important noncognitive skills required for success in life The Kids are Smart Enough is a book of hope with surprisingly practical solutions revealed by listening to teachers learning from data and looking for the root cause This book will help you to discover how struggling students can be reached and teachers encouraged

Teach Smart P J Caposey, Todd Whitaker, 2013-12-17 Transform your classroom from teacher centered to learner centered This book shows you how with eleven easy to implement strategies you can use immediately to put students at the center Get your students geared up for success and high achievement with great ideas for providing a roadmap giving the work back differentiating daily instruction communicating for your audience not to your audience giving students choices planning intentional engagement asking better questions and so much more For each strategy you get a clear example of what it looks like in action as well as a breakdown of how to make it work in your classroom

Can I Get a Do Over? Rick Domeier, 2011-01-03 In a time when reinventing oneself is more of a necessity than a choice QVC host Rick Domeier offers how to examples from people who've done it successfully
