Neurosurgeon Arthur Anderson helps cognitively disabled people live normally Ever the humanitarian he makes available at cost his revolutionary Server One device A man with a cold heart sees lots of profit to be made and attempts a hostile takeover of the good doctors business Nasty internet talk about Doc Anderson and his veiled wife Sue forces a confession about his friendship with reclusive Betti Anderson may have to shoot his way out of this problem to redeem the beautiful people in his life **Talent Acquisition Excellence** Kevin Wheeler,Bas van de Haterd,2024-02-03 WINNER American Book Fest Best Book Awards 2024 Business General Are talent acquisition technologies really making a difference Which capabilities should I care about and how do I use them Are recruitment analytics necessary Talent Acquisition Excellence answers all these questions and more Written for recruiters and Talent Acquisition TA specialists this book outlines which technologies and digital capabilities are available and explains how to use them as well as how to assess what impact they can have on your organization s recruitment activities It includes coverage of artificial intelligence AI algorithms automation and machine learning and also has broader discussion of the talent supply chain and talent intelligence This book also explores technology for sourcing employer branding and job adverts as well as digital pre selection video interviewing and virtual apprenticeships The final part of the book is dedicated to analytics and explains what to measure and why the difference between predictive and prescriptive analytics in recruitment and showcases what a data driven approach to recruitment can help you to achieve Throughout the book there is essential discussion of the ethics of using technologies and analytics in recruitment as well as a focus on the skills needed to be a future proof recruiter Each chapter includes an example scenario to put the capability in context as well as case studies from organizations in the US UK Europe and the Middle East Talent Acquisition Excellence is ideal reading for all recruiters and talent acquisition professionals who need to understand the digital possibilities in the industry **Hoover's FBI and the Fourth Estate** Matthew Cecil,2014-02-25 The Federal Bureau of Investigation was an agency devoted to American ideals professionalism and scientific methods directed by a sage and selfless leader and anyone who said otherwise was a no good subversive bent on discrediting the American way of life That was the official story and how J Edgar Hoover made it stick running roughshod over those same American ideals is the story this book tells in full for the first time From Hoover s first tentative media contacts in the 1930s to the Bureau s eponymous television series in the 1960s and 1970s FBI officials labored mightily to control the Bureau s image efforts that put them not so squarely at the forefront of the emerging field of public relations In the face of any journalistic challenges to the FBI s legitimacy and operations Hoover was able to create a benign even heroic counter narrative thanks in part to his

friends in newsrooms Matthew Cecil's own prodigious investigation through hundreds of thousands of pages from FBI files reveals the lengths to which Hoover and his lackeys went to use the press to hoodwink the American people Even more sobering is how much help he got from so many in the press Conservative journalists like broadcaster Fulton Lewis Jr and columnist George Sokolsky positioned themselves as objective defenders of Hoover's FBI and were rewarded with access friendship and other favors Some of Hoover's friends even became adjunct FBI agents designated as Special Service Contacts who discreetly gathered information for the Bureau Enemies on the other hand were closely monitored and subjected to operations that disrupted their work or even undermined and ended their careers Noted journalists like I F Stone George Seldes James A Wechsler and many others found themselves the subjects of FBI investigations and occasionally named on the Bureau's custodial detention index targeted for arrest in the case of a national emergency With experience as a political reporter a press secretary and a scholar and professor of journalism and public relations Matthew Cecil is uniquely qualified to conduct us through the maze of political intrigue and influence peddling that mark and often mask the history of the FBI His work serves as a cautionary tale about how manipulative government agents and compliant journalists can undermine the very institutions and ideals they are tasked with protecting

Friends in High Places Douglas Frantz, David McKean, 1995 For more than forty years Clark Clifford was Washington's consummate Democratic power broker attorney and adviser to the nation's most influential leaders His 1991 memoir Counsel to the President looked back on a remarkable career of public service But the very year his autobiography was published the Clifford legend began to crumble Caught up in the scandal that destroyed the Bank of Credit and Commerce International the eighty five year old Clifford was arrested on charges relating to his law firm's involvement with the outlaw bank Though his case never went to trial and his protege Robert Altman was found not guilty Clifford's reputation was in ruins How could such a man come to such an end What happened And why In *Friends in High Places* a noted investigative reporter and a chief investigator in the Senate inquiry on BCCI provide the answers Drawing on original documents more than a hundred interviews with Clifford's friends and adversaries and fifty hours of interviews with Clifford himself the authors reveal the

drive and shrewdness that led Clifford to the pinnacle of power and demonstrate convincingly that his involvement with BCCI was no aberration but the bitter fruit of seeds planted at the beginning Indoctrination U David Horowitz,2009-03-23 In 2003 David Horowitz began a campaign to promote intellectual diversity and a return to academic standards in American universities To achieve these goals he devised an Academic Bill of Rights and created a national student movement with chapters on 160 college campuses Take No Prisoners is a riveting account of the reaction to Horowitz s campaign by professor unions and academic associations whose leaderships have been taken over by the political left *Gaming the Vote* William Poundstone,2025-09-23 Our Electoral System is Fundamentally Flawed But There s a Simple and Fair Solution At least five U S presidential elections have been won by the second most popular candidate The reason was a spoiler a minor candidate who takes enough votes away from the most popular candidate to tip the election to someone else The spoiler effect is more than a glitch It is a consequence of one of the most surprising intellectual discoveries of the twentieth century the impossibility theorem of Nobel laureate economist Kenneth Arrow The impossibility theorem asserts that voting is fundamentally unfair a finding that has not been lost on today s political consultants Armed with polls focus groups and smear campaigns political strategists are exploiting the mathematical faults of the simple majority vote In recent election cycles this has led to such unlikely tactics as Republicans funding ballot drives for Green spoilers and Democrats paying for right wing candidates radio ads *Gaming the Vote* shows that there is a solution to the spoiler problem that will satisfy both right and left A system called range voting already widely used on the Internet is the fairest voting method of all according to computer studies Despite these findings range voting remains controversial and *Gaming the Vote* assesses the obstacles confronting any attempt to change the American electoral system The latest of several books by William Poundstone on the theme of how important scientific ideas have affected the real world *Gaming the Vote* is a wry expos of how the political system really works and a call to action **The Girl's Guide to Absolutely Everything** Melissa Kirsch,2006-01-01 Brings together survival tips suggestions and information on everything from diet and exercise home decorating and career to retirement planning Internet dating and family relationships *Marrying the Boogeyman* Jeanelle Maraid,2024-03-20 Monsters freely roam the earth hidden in plain sight They pretend to be humans and hunt prey for power control dominance and to break down boundaries For many people monsters do not just live under our beds they are in our beds lying beside us Jeanelle Maraid knows monsters are real because she married one stared into his eyes and felt his evil His mission was to destroy every part of her and transform her into his hopeless helpless and frightened prey Now she has a mission to change how the world views domestic abuse and protect other human beings from the rath of these monsters In a courageous retelling of her story Maraid candidly reveals details of her abusive marriage as well as her eventual escape healing and passion for advocacy in order to help bring awareness education understanding and change to anyone enduring abuse now and in the future *Marrying the Boogeyman* shares the eye opening story of an abuse survivor who became a fierce warrior

determined to bring exposure and accountability to monsters who purposely hurt those who love them Thinking Critically about Media and Politics Donald Lazere, 2015-11-17 This book offers a critical introduction to the media as well as a self defense against the spin of politicians advertising and assorted propagandists Its interdisciplinary application of principles of critical thinking and argumentative rhetoric can be incorporated into a diverse range of college courses including communication journalism rhetoric and media criticism Lazere offers a basic guide to and critique of the semantic complexities of terms such as liberal conservative left and right as well as related words like democracy freedom capitalism and socialism He provides student guides for understanding opposing viewpoints between conservative and liberal polemicists on controversial issues in current politics and media such as the nation s wealth gap including the rhetoric of economic arguments and the use and interpretation of statistics His book offers insights into understanding the positions behind many other well publicized debates in American society from women s rights to racial attitudes to the role of government Lazere provides students with tools for understanding and argumentation showing how to recognize logical fallacies verbal slanting and emotional appeal through connotative language and how to discern intentions behind political and other advertisements In contrast to most textbooks approach to logical fallacies that assumes they result only from unintentional lapses in reasoning this book confronts the hard truth that real life arguments frequently are tainted by deliberate deception Chapter 3 surveys various influences on political bias in the media while Chapter 4 examines special pleading conflicts of interest invective smearing and hype as propagated by sources like lobbies public relations agencies think tanks advocacy and political advertising Fault Lines David Goodman, 2001 This is a searingly honest book by someone who really knows his subject Goodman is sympathetic to the attempts at transformation in my beloved motherland The message of this book applies just as easily to the United States where the fault lines run very deep too And the U S has been trying to solve these problems a great deal longer than the new South Africa Archbishop Desmond Tutu David Goodman s vivid intensely personal and unobtrusively erudite book is irresistible reading for anyone who cares about South Africa Adam Hochschild author of King Leopold s Ghost A gem of a book An excellent introduction to the intricacies of South African politics and society Gail M Gerhart Foreign Affairs A sequence of truths shown through the lives of eight contrasted citizens this book reveals our new South Africa with the startling accuracy of flashes of lightning on a stormy night and with the apartheid storm over a remarkable rainbow of hope can be seen Donald Woods author of Biko **Clarity Jones and the Magical Detective Agency** Chris Smith, 2023-05-25 From the incredible imagination of bestselling author Chris Smith comes a hilarious fantasy adventure for 8-12 readers Cressida Cowell meets Robin Stevens with a dash of Pixar gold Never ever eliminate the impossible Clarity Jones When Mutt gets a job as an apprentice at the leading detective agency in the realm of Rillia he s not expecting to work with ex princesses snow goblins and the most notorious assassin of the White Hand Clan And he s definitely not expecting to be thrown in the deep end on the agency s toughest and most dangerous job
