

Never again will a clown be just a clown to him who reads this little story. He will look at the clown with strange new eyes and with a bit of wonder in his soul . . . It is a modern parable. Like all good parables, it can have as many interpretations as there are readers. It has the magic of mystery, for which each reader must find his own clues and supply his own solution.

Smile At The Foot Of The Ladder:

The Smile at the Foot of the Ladder Henry Miller, 2014-08-30 Henry Miller called *The Smile at the Foot of the Ladder* his most singular story First published in 1959 this touching fable tells of Auguste a famous clown who could make people laugh but who sought to impart to his audiences a lasting joy Originally inspired by a series of circus and clown drawings by the cubist painter Fernand Léger Miller eventually used his own decorations to accompany the text in their stead Undoubtedly he says in his explanatory epilogue it is the strangest story I have yet written No more even than all the stories which I based on fact and experience is this one the truth My whole aim in writing has been to tell the truth as I know it Heretofore all my characters have been real taken from life my own life Auguste is unique in that he came from the blue But what is this blue which surrounds and envelopes us if not reality itself We have only to open our eyes and hearts to become one with that which is *The Smile at the Foot of the Ladder. The Angle Shane Sardi, 2010-06-03 *The Angle* is about a man who does not exist Yet while dealing with his anonymity finds himself in a love story on its way to an awakening through a path of literature *The Angle* itself happens to be an affliction inside the mind of our anti hero rendering or rather exuding its three conditions that plague him His mission aided by his brother poetic smoke messages in the mail and a cast of literary characters rounds out his plight Through his mute assistant Teana he discovers enlightenment and realization for the first time in his life **Reading South Vietnam's**

Writers Thomas Engelbert, Chi P. Pham, 2023-07-04 This edited book examines how South Vietnam's formerly the Republic of Vietnam 1955-1975 literary and journalistic writers were perceived and potentially influenced by Western thought led by thinkers such as Jean Paul Sartre Franz Kafka Sigmund Freud Thomas Mann Martin Heidegger Hermann Hesse Edmund Husserl Stefan Zweig Graham Greene and Somerset Maugham The book reveals the dynamism and diversity of Western thought in individual literary texts as well as among the authors themselves The volume considers how writers and their texts engaged with issues that are socially culturally politically and philosophically significant to Vietnam and beyond past and present This approach to South Vietnam's literary and journalistic tradition enables an alternative plural inclusive view of the significance of these texts which are shown to be neither exclusively anti Communist nor bourgeois individualist c n h n t i u t s n as they have so often been interpreted both in and outside of Vietnam Such an interpretation problematically retains the marginal position of South Vietnam's literature in mainstream Vietnamese literature and in the literatures of the host countries where these Vietnamese authors have migrated settled and continued to write following the Fall of Saigon This volume presents itself as a key text for those studying Asian and postcolonial literatures as well as scholars in the humanities
