

Shadow Slave

A dark, ornate mask with horns and smoke. The mask is highly detailed with intricate carvings and patterns. It has two large, curved horns on top. The eyes are closed or deeply shadowed. From the right side of the mask, a plume of white smoke or steam rises. The background is a dark, textured grey.

Fin-de-Siècle Splendor Dewei Wang, 1997 The reigning view of literary historians has been that the May Fourth

movement of 1919 marks the division between the traditional and the modern in Chinese literature This book argues that signs of reform and innovation can be discerned long before May Fourth and that as China entered the arena of modern international history in the late Qing it was already developing its own complex matrix of incipient modernities It demonstrates that late Qing fiction nurtured a creative innovative poetics one that was spurned by the reformers of the May Fourth generation in favor of Western style realism The author recognizes that a full account of modern Chinese fiction needs to ask why so many genres styles themes and figures found in late imperial fiction were repressed by modern Chinese literary discourse He focuses on four genres of late Qing fiction that have been either rudely dismissed in pejorative terms or simply ignored depravity romances court case and chivalric cycles grotesque exposés and scientific fantasies The author shows that in spite of the realist orthodoxy that has dominated Chinese literature since the May Fourth movement these unwelcome genres have continually found their way back into mainstream discourse their influence being increasingly evident in recent decades This first comprehensive study of late Qing fiction discusses more than sixty works at least half of which have rarely or never been dealt with by Western or Chinese scholars Richly informed by contemporary literary theory this book constitutes a polemical rethinking of the nature of Chinese literary and cultural modernity *The Novels of Daniel Defoe, Part I Vol 1* W R Owens, P N Furbank, G A Starr, N H Keeble, 2017-09-29 Daniel Defoe is known as the father of the English novel This is the modern critical edition of Defoe's novels It brings together all three parts of Robinson Crusoe and examines their relationship The editorial material includes an introduction to each novel explanatory endnotes textual notes and a consolidated index in volume 10 **Recharting the Black Atlantic** Annalisa Oboe, Anna Scacchi, 2011-04-13 This book focuses on the migrations and metamorphoses of black bodies practices and discourses around the Atlantic particularly with regard to current issues such as questions of identity political and human rights cosmopolitics and mnemonic history

Sewell, 2010-04-16 In 1962 Jamaica and Trinidad and Tobago became independent countries Barbados followed in 1966 In the years leading up to these events the history of the British West Indies was written largely by the British the colonial power who focused on the process of decolonization and the key local players involved After independence local scholars also focused on the role of political leaders in the newly independent countries To date scholars have paid little attention to the impact of these events on the local populations of these islands Decolonization and the Other The Case of the British West Indies explores the local perspectives on and reactions to events by using West Indian literature to supplement the historical record Beginning in the 1930s when local demands for political participation increased through the process of decolonization and into the early years of independence West Indian writers used their life experiences to document local reaction West Indian literature first appeared in 1950 when British publishers became interested in island authors and their novels By using the novels to supplement the historical record we can gain a better understanding of the process of decolonization and the early years of independence in the British West Indies *The Island Called Paradise* Philip D. Beidler, 2014-02-28 A personal and cultural mediation Philip D Beidler's *The Island Called Paradise* explores the fascinating ways Cuban history and culture have permeated North American consciousness and vice versa In *The Island Called Paradise* Philip D Beidler shares his personal discovery of the vast rich and astonishing history of the island of Cuba and the interrelatedness of Cuba and the US Cuba first entered Beidler's consciousness in the early 1960s when he watched with mesmerized anxiety the televised reports of the Cuban missile crisis a conflict that reduced a multifaceted centuries old history between North America and Cuba to the stark duotones of Cold War politics Fifty years later when Beidler traveled to the US's island neighbor he found a Cuba unlike the nation portrayed in truculent political rhetoric or in the easy preconceptions of US popular culture Instead he found an entrancing people and landscape with deep historical connections to the US and a dazzling culture that overwhelmed his creative spirit In twelve original essays Beidler reintroduces to English speaking readers many of the central figures both real and literary of Cuban and Cuban American history Meet Cecilia Vald's the young mixed race heroine of a 1839 novel that takes readers to the poor streets and sumptuous salons of Spanish colonial Cuba and Narciso Lopez a real life Venezuelan adventurer and filibustero who attempted to foment a Cuban uprising against Spain Both would have been familiar figures to nineteenth century Americans Beidler also visits the

twentieth century lives of the two Ernestos Ernest Hemingway and Che Guevara and the pop culture Cuban icon Ricky Ricardo A country not with one history but multiple layers of history Cuba becomes a fertile island for Beidler s exploration Art he argues perpetually crosses walls erected by politics history and nationality At its core The Island Called Paradise renews and refreshes our knowledge of an older Atlantic world even as we begin to envision a future in which the old bonds between our nations may be restored
