Trackless M.A. Hill, 2014-05-31 TRACKLESS A JOURNEY THAT FOLLOWS NO TRAILS by MA Hill tells of the power of dreams and destiny Is what we want what we need Can we choose our path in life Set in Australia between the 1950 s and 80 s this book evokes a poetic vision of the vast distances of the land and the dissolving polarities between the truth of reality

and the mystery of illusion Magic and myth interweave in this novel of betrayal and deceit This is the story of Aidan Randell who abandons his career as an architect in a quest for art and freedom When he meets gifted musician Gwentyth Chamberlain the ramparts of the safe world she has constructed fracture into chaos Is it fate foretold by Viking Ru nestones cast by the strange dancer Dolfine Random chance Or the inevitable consequences of cause and effect of action and reaction Are they driven by profound love and devotion or lust and desperation Is the treasure a priceless antique violin or just a wooden box with strings a worthless fake From the mansions of the wealthy and powerful to beach shacks and remote desert camps from sailing super yachts and driving 4WD on outback tracks they journey into the wilderness of the soul and discover bedrock

Night-time and Sleep in Asia and the West Lodewijk Brunt,Brigitte Steger,2004-06-01 Ideas and practices concerning sleep and night time are constantly changing and widely varied in different cultures and societies What we do during the day and night is the result of much political struggle Trade unions political parties entrepreneurs leaders and schools boards all have an interest in questions of timing for the opening and closing of shops the starting hours of schools and factories and the number of hours people have to work and sleep By drawing together comparative case studies from countries in both Asia and Europe Night time and Sleep in Asia and the West allows the reader to track the differences in the cultural importance given to the night and to compare the ways in which the challenges and opportunities of modernity have been played out in the East and the West Sleepless Annabel Abbs-Streets,2024-02-13 Why women s brains work differently at night and how we can harness that altered state for greater creativity insight and courage In the winter of 2020 Annabel Abbs Streets experienced a series of losses her stepfather then father and finally her family s puppy Unmoored by grief she couldn t sleep But she discovered something surprising during her wakeful nights the darkness became a place of sanctuary filled with creativity reflection and wonder And once she stopped fighting her insomnia Annabel tapped into something mysterious and beguiling her Night Self In the tradition of books like *Breath* and *Wintering* Sleepless combines science historical research and personal experience to explore the complicated relationship women have with darkness Her night journeys range from quiet country fields to brightly lit city streets to the darkest reaches of the Arctic Circle And from women of the past Lee Krasner Virginia Woolf Louise Bourgeois and dozens more who opened their minds on sleepless nights to contemporary women who found a form of healing in darkness From moth hunters to astronomers from artists to photographers Annabel found she wasn t alone Cut loose from the anxiety of insomnia numerous women discovered strength imagination and inner knowledge at night Many also learned to finally sleep *ARLE OF THE SAND* R. Vagrancy ,1906 *Southern Frontier Humor* Thomas Inge,Ed Piacentino,2010-05-12 If as some suggest American literature began with Huckleberry Finn then the humorists of the Old South surely helped us to shape that literature Twain

himself learned to write by reading the humorists work and later writers were influenced by it This book marks the first new collection of humor from that region published in fifteen years and the first fresh selection of sketches and tales to appear in over forty years Thomas Inge and Ed Piacentino bring their knowledge of and fondness for this genre to a collection that reflects the considerable body of scholarship that has been published on its major figures and the place of the movement in American literary history They breathe new life into the subject gathering a new selection of texts and adding Twain the only major American author to contribute to and emerge from the movement as well as several recently identified humorists All of the major writers are represented from Augustus Baldwin Longstreet to Thomas Bangs Thorpe as well as a great many lesser known figures like Hamilton C Jones Joseph M Field and John S Robb The anthology also includes several writers only recently discovered to be a part of the tradition such as Joseph Gault Christopher Mason Haile James Edward Henry and Marcus Lafayette Byrn and features authors previously overlooked such as William Gilmore Simms Ham Jones Orlando Benedict Mayer and Adam Summer Selections are timely reflecting recent trends in literary history and criticism sensitive to issues of gender race and ethnicity The editors have also taken pains to seek out first printings to avoid the kinds of textual corruptions that often occur in later versions of these sketches Southern Frontier Humor offers students and general readers alike a broad perspective and new appreciation of this singular form of writing from the Old South and provides some chuckles along the way
