Revival: Reconstruction and Education in Rural India (1932) Prem Chand Lal,2018-01-16 This book explores the problems present in Bengal villages specifically which represent problems found within the rest of rural India therefore the same measures with very little modification could be employed in the work of rural reconstruction and rural education in those parts The author discusses issues related to the government as well as the caste system and the social and

religious customs which he has argued not only hampered the path to progress but reduced the people further and further to misery and despair
