The Rosary Murders William Kienzle,2012-05-15 A sophisticated and baffling thriller a real bone freezer Publishers Weekly Ingenious witty literate at once irreverent and compassionate an impressive tour indeed for a first time novelist Los Angeles Times Well paced tightly written exciting as hell and quite possibly the best mystery I ve read in years Dallas Times Herald The Rosary Murders was William X Kienzle s first Father Koesler mystery published in 1978 Twenty three more books followed creating a best selling mystery series mostly set in Detroit and reflecting the personality of its hero Father Robert

Koesler a diocesan priest with a penchant for sleuthing The Rosary Murders was named one of the top twenty five mysteries of the twentieth century in spring 2000 by the Chicago Sun Times It was also made into a movie with Donald Sutherland in the role of Father Koesler In The Rosary Murders Detroit priests and nuns are being methodically murdered all are found with a plain black rosary entwined between their fingers as a calling card From Ash Wednesday when the murderer first struck the police seem helpless to solve the string of senseless murders The weeks that follow become a nightmare for the crack homicide team headed by Lieutenant Walter Koznicki until Father Koesler breaks the madmen s code Here is a story with tension excitement intelligence and a rare wit and humor Kienzle painstakingly leads you through every step in an intensive police investigation of heinous series of murders Police procedure and Pulitzer Prize winning newspaper reporting are as much a part of the action as the crimes themselves With superb control of the novel s movement Kienzle can tantalize at a tortoise s pace and torment with a breakneck hare s pace *The Tick Tock Murders* Lawrence Ruegg,2015-11-25

Murders are committed on different time schedules While some are planned out months in advance and others are committed with very little preparation there are varying amounts of time spent in the majority of killings The ticking clock measures all them both for the actual crimes and also for the solving by detectives It is a cat and mouse game between commission and solution but the clock ticks loudest against the criminal While detectives can make many mistakes finding the solution the criminal is caught if he makes one error That is the nature of crime Follow it in the three named The Tick Tock Murders

A rich, vibrant portrait, the most intimate and telling yet of this complex man, considered by many to be the actor's actor. Spencer Tracy's image on screen was that of a self-reliant man whose sense of rectitude toward others was matched by his sense of humor toward himself. Whether he was Father Flanagan of *Boys Town*, Clarence Darrow of *Inherit the Wind*, or the crippled war veteran in *Bad Day at Black Rock*, Tracy was forever seen as a pillar of strength. His full name was Spencer Bonaventure Tracy. He was called The Gray Fox by Frank Sinatra; other actors called him The Pope. The best goddamned actor I've ever seen, George M. Cohan. In his several comedy roles opposite Katharine Hepburn, *Woman of the Year* and *Adam's Rib*, among them, or in *Father of the Bride* with Elizabeth Taylor, Tracy was the sort of regular American guy one could depend on. Now James Curtis, acclaimed biographer of Preston Sturges, *Definitive Variety*. James Whale and W. C. Fields. By far the fullest, fairest, and most touching account we have yet had. Or are likely to have. Richard Schickel, *The New York Times Book Review*, cover review. gives us the life of one of the most revered screen actors of his generation. Curtis writes of Tracy's distinguished career, his deep Catholicism, his devoted relationship to his wife, his drinking that got him into so much trouble, and his twenty-six year long bond with his partner on screen and off, Katharine Hepburn. Drawing on Tracy's personal papers and writing with the full cooperation of Tracy's daughter, Curtis tells the rich story of the brilliant but haunted man at the heart of the legend. We see him from his boyhood in Milwaukee, given over to Dominican nuns. They drill that religion in you, his years struggling in regional shows, and stock. Tracy had a photographic memory and an instinct for inhabiting a character from within, acting opposite his future wife, Louise Treadwell, marrying and having two children, their son John, born deaf. We see Tracy's success on Broadway, his turning out mostly forgettable programmers with the Fox Film Corporation, and going to Metro-Goldwyn-Mayer and getting the kinds of roles that had eluded him in the past: a streetwise priest opposite Clark Gable in *San Francisco*, a screwball comedy, *Libeled Lady*, Kipling's classic of the sea, *Captains Courageous*. Three years after arriving at

MGM Tracy became America's top male star. We see how Tracy embarked on a series of affairs with his costars making Northwest Passage and Dr Jekyll and Mr Hyde which brought Ingrid Bergman into his life. By the time the unhappy shoot was over Tracy looking to do a comedy made Woman of the Year. Its unlikely costar Katharine Hepburn. We see Hepburn making Tracy her life's project protecting and sustaining him in the difficult job of being a top tier movie star. And we see Tracy's wife Louise devoting herself to studying how deaf children could be taught to communicate orally with the hearing and speaking world. Curtis writes that Tracy was ready to retire when producer director Stanley Kramer recruited him for Inherit the Wind a collaboration that led to Judgment at Nuremberg. It's a Mad Mad Mad Mad World and Tracy's final picture Guess Who's Coming to Dinner. A rich vibrant portrait the most intimate and telling yet of this complex man considered by many to be the actor's actor.
