Committee on Rules and Administration. Subcommittee on the Smithsonian Institution, 1965

This second edition of this title is the only history of the United States territory covering the period from 1492 to 2010 Especially emphasized is the period since 1917 when the U S acquired the Islands from Denmark Constituting three small Caribbean islands St Thomas St Croix and St John each is unique but together they are widely known as a favorite tourist destination featuring sun sand and surf In many respects the territory is a microcosm of the human family The diversity of its physical environment is matched by the diversity of its people The focal point of the book is a record of the struggle of the Islanders greater number as slaves then serfs and lastly as citizens to gain control of their own destiny This is a history of human rights and human wrongs The author does not merely portray the history of the Islands and their people he also shows how the Islanders share the same aspirations as other colonial subjects In so doing he taps previously unused sources The relationship between the United States and the Virgin Islands has been marked by indifference and vacillation on the part of American officials Moreover the thousands of tourists who flock to the territory annually are unaware of the Islands checkered and rich history For many the Islands are simply a tropical paradise This work is an extensively documented and detailed source of information valuable to those interested in a political and cultural perspective to those interested in African American or Caribbean history and likewise to those who live in or visit the Islands      The Smithsonian's History of America in 101 Objects Deluxe Richard Kurin, 2013-10-29 A magnificent new history of America told through 101 treasures

from the Smithsonian's collections The Deluxe Edition features eight videos that go behind the scenes at the Smithsonian for a closer look at some of the book's most important objects hosted by author and curator Richard Kurin The Smithsonian Institution is America's largest and most cherished repository for the objects that define our common heritage Richard Kurin its Under Secretary for History Art and Culture has for decades served as a driving force in the effort of our national museums to tell America's whole story This book is the culmination of a broad effort led by Kurin and involving all the Smithsonian's museums and more than a hundred of its top scholars and curators to select a set of objects that could collectively represent the American experience Strong deliberation honed literally millions of possibilities down to a careful selection of 101 remarkable objects that do justice to the history of our bountiful land and its people That history begins with remains from the earliest years of the pre-Columbian continent and relics of the American Revolution and Civil War It includes the inventions of the industrial revolution artifacts of the Depression World War II and cold war eras icons of pop culture and of the Civil Rights movements as well as the objects that now symbolize the digital age and the first years of the new millennium Each entry pairs the fascinating history of each object with the place it has come to occupy in our national memory Kurin sheds new light on familiar objects like the Star Spangled Banner and Abraham Lincoln's stovepipe hat Dorothy's ruby slippers and Julia Child's kitchen the giant pandas and the space shuttle Discovery including the often astonishing tales of how each made its way into the Smithsonian Other objects like the suffragists Great Demand banner and the Tuskegee flyer will be eye-opening new discoveries for many but no less evocative of the most poignant and important moments of American history Others like Sitting Bull's ledger Cesar Chavez's union jacket and the Enola Gay bomber illustrate difficult chapters in the nation's history Kurin also includes behind-the-scenes insight into controversies arising from their exhibition at the Smithsonian In Kurin's hands these marvelous objects come to vivid life awakening a deep and tactile connection with our nation's history A beautiful treasure in its own right The Smithsonian's History of America in 101 Objects is an incomparable journey through America's collective memory and a celebration of the resilient power of objects to illustrate who we are as a people **Welcome to the Smithsonian Institution!** Smithsonian Institution, 1977
