SNAFU Ed Helms, 2025-04-29 From actor comedian writer and host of the hit history podcast **SNAFU** Ed Helms brings you an absurdly entertaining look at history's biggest blunders complete with lively illustrations History contains a plethora of insane screwups otherwise known as **SNAFUs** Coined during World War I **SNAFU** is an acronym that stands for Situation Normal All F cked Up In other words things are pretty screwed up but aren't they always Spanning from the 1950s to the 2000s Ed Helms steps in as unofficial history teacher for a deep dive into each decade's craziest **SNAFUs** From planting nukes on the moon to training felines as CIA spies to weaponizing the weather this book will unpack the incredibly ironic decision making and hilariously terrifying aftermath of America's biggest mishaps Filled with sharp humor **SNAFU** is a wild ride through time that not only entertains but offers fresh insights that just might prevent history from repeating itself again and again

Forthcoming Books Rose Army, 1993 **Bowker's Guide to Characters in Fiction 2007**, 2008-02

Secret Science Herbert N. Foerstel, 1993-01-30 This book is a plea for scientific openness and free access to information It demonstrates the futility of scientific secrecy and the weakness of national arguments against open communication From the restriction of technologically advanced exports to the classification of research as restricted or secret to the monitoring and censoring of scientific publications and library collections to the preemption by the Pentagon of scientific and technological research the U S federal government has achieved a state of unprecedented control over American science and technology This despite the end of the Cold War Foerstel examines this continuing trend toward the state as chief sponsor promoter and supervisor of scientific research and its unsettling ramifications Foerstel concludes that scientific secrecy is counterproductive to American interests particularly in an era when economics has come to define national security His controversial analysis will be of interest to scientists historians and students of government alike
