The Sissy Duckling Harvey Fierstein, 2005-06-01 **The Sissy Duckling** Harvey Fierstein, 2012-11-20 Elmer is not like the other boy ducklings While they like to build forts he loves to bake cakes While they like to play baseball he wants to put on the halftime show Elmer is a great big sissy But when his father is wounded by a hunter s shot Elmer proves that the biggest sissy can also be the greatest hero Acclaimed actor and playwright Harvey Fierstein has crafted a heartwarming story based on his award winning HBO animated special about learning to embrace the special qualities we all possess Henry Cole s gently humorous illustrations give it a new vitality This eBook with audio is a story to share with all children to help them understand that each one of them is unique and valuable

Forbidden Fruit Sarah McNicol, 2008 Forbidden Fruit The Censorship of Literature and Information for Young People was a two day conference held in Southport UK in June 2008 This collection of papers from the conference will be of interest to teachers school and public librarians publishers and other professionals involved in the provision of literature and information resources for young people as well as to researchers and students The proceedings draw together some of the latest research in this area from a number of fields including librarianship education literature and linguistics The topics covered include translations and adaptations pre censorship by authors publishers and editors LGBT lesbian gay bi sexual and trans materials and the views of young people themselves The papers included in the proceedings deal with a wide range of issues Research student Lucy Pearson takes a historical perspective considering the differences in the way in which two titles Young Mother in the 1960s and Forever in the 1970s handle the theme of teenage sexuality John Harer from the United States and Elizabeth Chapman and Caroline Wright from the UK also deal with the controversial issue of teenage sexuality Both papers are concerned with the censorship of LGBT lesbian gay bi sexual and trans materials for young people especially referring to issues faced by librarians in dealing with such resources in their respective countries Another writer to examine the issue from a librarianship perspective is Wendy Stephens who reports on her action research into students reactions to book banning and censorship in the context of a twelfth grade English literature research project Taking one step back from the question of access to controversial materials Cherie Givens reports on her doctoral research examining the often neglected issue of pre censorship that is restrictions which take place usually as a result of pressure from editors and publishers before materials reach the library shelves Showing a different side of the publishing industry Christopher Gruppetta writes from the perspective of a publisher keen to promote young adult fiction in Malta His article demonstrates the huge strides which can take place in a relatively short period of time even in a religiously conservative country Talks by young adult authors were also included in the conference programme Ioanna Kaliakatsou considers how self censorship is exercised by authors and how attitudes have changed since the early twentieth century Yet another point at which works might be censored is when they are translated or adapted Evangelia Moula focuses on censorship in adaptations of classic Greek tragedies while Helen T Frank examines Australian

children's fiction translated into French to highlight the process of purification or sanitization that can occur during translations

Queer Inclusion in Teacher Education Olivia J. Murray, 2014-06-13 *Queer Inclusion in Teacher Education* explores the challenges and promises of building queer-inclusive pedagogy and curriculum into teacher education. Weaving together theory, research findings, and practical how-to strategies and materials, it fills an important gap by offering a clear roadmap and resources for influencing the knowledge, beliefs, and actions of faculty working with pre-service teachers. While the book has implications for policy change, most immediately, readers will feel empowered with ideas for faculty development they can implement in their own teacher education programs. Looking at both the politics and practices of teacher education and the ways in which queer issues manifest in schools, it is hopeful in suggesting that if teachers and pre-service teachers can critically reflect on homophobia and heteronormativity, they can begin to think about and relate to queer youth in a different, more positive and inclusive way. A Companion Website (<http://queerinclusion.com>) with additional activities and materials for teacher educators and faculty development and a practical guide enhances the usefulness of the book.

Reclaiming Early Childhood Literacies Richard J. Meyer, Kathryn F. Whitmore, 2016-09-01 At a time when literacy has become more of a political issue than a research or pedagogical one, this volume refocuses attention on work with young children that places them at the center of their literacy worlds. Drawing on robust and growing knowledge which is often marginalized because of political and legislative forces, it explores young children's literacies as inclusive, redefined, and broadened, encompassing technologies, the arts, multiple modalities, and teaching and learning for democracy, cultural sustainability, and social justice. Highlighted themes include children's rights to grow through playful engagements with multiple literacies to interrogate their worlds; adults who expand and inspire children's consciousness and awareness of others and the world around them; the centrality of meaning-making in all aspects of language and literacy development; a deep respect for diversities including languages, cultures, sexual orientation, socioeconomic status, and more; and an expansive understanding of the nature of texts.

Once Upon a Time in a Different World Neal A. Lester, 2010-06-21 This book offers a history and analysis of African American children's literature from its beginnings to the present. Chapters explore issues surrounding race and representation from the race and gender

politics of African American hair to the absence of the N word in children's books Queer and Trans Perspectives on Teaching LGBT-themed Texts in Schools Mollie V. Blackburn, Caroline T. Clark, Wayne J. Martino, 2018-12-07 This book focuses on queering texts with lesbian gay bisexual and or transgender LGBT themes in collaboration with students young to young adult and their teachers both pre and in service It strives to generate knowledge and deeper understandings of the pedagogical implications for working with LGBT themed texts in classrooms across grade levels The contributions in this book offer explicit implications for pedagogical practice considering literature for children and young adults and work in elementary school high school and university classrooms and schools They give insights on exploring how queer and trans theories might inform the teaching and learning of English language arts with great respect to people who live their lives beyond hegemonic heteronormativity and cisnormativity They provide wisdom on how to provoke foster and navigate complicated conversations about sexuality queer desire gender creativity gender independence and trans inclusivity In addition they show how all of these are informed by an epistemological and ontological understanding of gender embodiment as a process of becoming They offer insights into how queer and trans theories as informed and driven by trans non binary and gender diverse scholars themselves can move all of us beyond LGBTQ inclusivity and inform reading discussing teaching and learning in all of the classrooms and school contexts where we live and work This volume was originally published as a special issue of Discourse Studies in the Cultural Politics of Education
