Sisters And Strangers An Introduction To Contemporary Feminist Fiction:

Sisters and Strangers Patricia Duncker, 1992-01 Since 1970 the women's movement has produced a rich and varied harvest of feminist fiction. This book introduces the reader to these writers and to the politics and polemic that inform their work. *Contemporary Women's Writing* Maroula Joannou, 2000 This wide-ranging study provides a historically grounded

account of women's fiction in the 1960s and the 1970s relating changes in the social structure of Britain and the United States to the literary representations of women's experience. **Negotiating Identities** Helen Grice, 2002-10-11

Negotiating Identities is a study of the development of writing by Asian American women in the 20th century with particular emphasis on the successful late 20th century writers such as Maxine Hong Kingston, Amy Tan, Joy Kogawa, Bharati Mukherjee and Gish Jen. It relates the development of Asian writing by women in America with a comparative element incorporating Britain to a series of theoretical preoccupations: the mother-daughter dyad, biracialism, ethnic histories, citizenship, genre and the idea of home. *The New Woman* Sally Ledger, 1997 By comparing fictional representations with real New Women in

late Victorian Britain, Sally Ledger makes a major contribution to an understanding of the Woman Question at the end of the century. Chapters on imperialism, socialism, sexual decadence and metropolitan life situate the revolting daughters of the

Victorian age in a broader cultural context than previous studies. *Contemporary Fiction* Jago Morrison, 2003 A much needed introduction to the field of contemporary fiction studies. Introduces key areas of debate and offers in-depth discussions of the most significant texts. An ideal guide for those studying contemporary fiction for the first time.

Diasporic (dis)locations Brinda J. Mehta, 2004 Indo-Caribbean women writers are virtually invisible in the literary landscape because of cultural and social inhibitions and literary chauvinism. Until recently the richness and particularities of the experiences of these writers in the field of literature and literary studies were compromised by stereotypical representations of the Indo-Caribbean women that were narrated from a purely masculine or an Afrocentric point of view. This book fills an important gap in an important but underestimated emergent field. The book explores how cultural traditions and female modes of opposition to patriarchal control were transplanted from India and rearticulated in the Indo-Caribbean diaspora to determine whether the idea of cultural continuity is in fact a postcolonial reality or a fictionalized myth. *kala pani* to Trinidad and Guyana provided courage, determination, self-reliance and sexual independence to their literary granddaughters who in turn used the *kala pani* as the necessary language and frame of reference to position Indo-Caribbean female subjectivity with equating writing as a public declaration of one's identity and right to claim creative agency. The book is of critical interest to those interested in twentieth-century literary studies, Caribbean studies, gender studies, ethnic studies and cultural studies. *Feminism and Women's Writing* Catherine Riley, 2018-02-09 Explores the transformative reign of the

Catholic King James VII and the revolution that brought about his fall. *Gendering the Nation* Christopher Whyte, 2019-08-08 Too often seen as a ghost from the past, nationalism has resurfaced as a major factor in European politics.

and culture A powerful commitment to national autonomy has marked Scottish writing throughout the twentieth century How has the emergence of new voices from feminist gay and lesbian critics transformed that commitment How critical and pluralistic can the new nationalisms be This collection serves notice that the tradition is being read in new and disruptive ways Five women and four men examine the relationship between gender and nationality how male and female authors portray women the treatment of sexuality in Scottish writing the construction of Scottish masculinity and its relation to class and homophobia Covering modern fiction and theatre poetry film and television it is a provocative reassessment of the gender and culture of a stateless nation *Studying Culture* Judy Giles, Tim Middleton, 2008-01-29 Fully revised and updated this second edition is an ideal introduction for those who are new to the study of culture Featuring global case studies selections of readings exercises and commentary throughout it spans the subject from issues of identity through to technological trends Explores key issues and theories on identities representation histories places and spaces discussing the various interpretations of culture and cultural studies Incorporates new work on the study of space place identity gender and cultural history as well as new sections on cultural studies theories and methodology in each chapter Introduces more complex issues including high and popular culture subjectivities consumption and new technologies and a fully updated section on new and enduring trends in technology and culture **Mixed Media** Simone Murray, 2004-02-20 The feminist press movement transformed the publishing industry literary culture and educational curricula during the last quarter of the 20th century This book is both a survey of the movement internationally and a detailed critique of its long term impact Feminist presses are described as mixed media always attempting to balance politics with profit making Using a series of detailed case studies Simone Murray highlights the specific debates through which this dilemma plays out the nature of independence the politics of race feminist publishing and the academy radical writing and publishing practice and feminism s interface with mainstream publishing
