Davis, 1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 **Size Queen and Other Poems** Dennis Kelly, 1981 **A History of Gay Literature** Gregory Woods, 1998-01-01 Account of male gay literature across cultures and languages and from ancient times to the present It traces writing by and about homosexual men from ancient Greece and Rome through the Middle Ages and Renaissance to the twentieth century gay literary explosion It includes writers of wide ranging literary status from high cultural icons like Virgil Dante Marlowe Shakespeare and Proust to popular novelists like Clive Barker and Dashiell Hammett and of various locations from Mishima s Tokyo and Abu Nuwas s Baghdad to David Leavitt s New York It also deals with representations of male male love by writers who were not themselves homosexual or bisexual men The Song of Roland and Other Poems of Charlemagne Simon Gaunt, Karen Pratt, 2016-11-17 Charles the king our emperor great Has been a full seven years in Spain As far as the sea he conquered this haughty land Not a single castle remains standing in his path Charlemagne 768 814 was crowned Holy Roman Emperor in 800 and presided over a huge empire He frequently appears in literature as a great warlord and pious crusading figure In 778 the rearguard of Charlemagne s retreating army was ambushed and defeated at the battle of Roncevaux This became the inspiration for songs and poems celebrating deeds of valour in the face of overwhelming odds through the character of Charlemagne s nephew the imaginary Roland The Song of Roland is the most stirring and moving epic poem of the European Middle Ages offering a particularly heady mixture of history legend and poetry Presented here in a lively and idiomatic new translation the Song of Roland offers fascinating insights into medieval ideas about heroism manhood religion race and nationhood which were foundational for modern European culture The Song of Roland is accompanied here by two other medieval French epics about Charlemagne both of which show him to be a far more equivocal figure than that portrayed by the Roland the Occitan Daurel and Beton in which he is a corrupt and avaricious monarch and the Journey of Charlemagne to Jerusalem and Constantinople which gives the heroes of the Roland a comic makeover Male Homosexuality in Literature, 1980 **Subject Catalog, 1982** Library of Congress, 1982 **Small Press Record of Books in Print** Len Fulton, 1993

happen Andrew Hook Emeritus Bradley Professor of English and American Literature Glasgow University William Sharp 1855 1905 conducted one of the most audacious literary deceptions of his or any time Sharp was a Scottish poet novelist biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod This was far more than just a pseudonym he corresponded as Macleod enlisting his sister to provide the handwriting and address and for more than a decade Fiona Macleod duped not only the general public but such literary luminaries as William Butler Yeats and in America E C Stedman Sharp wrote I feel another self within me now more than ever it is as if I were possessed by a spirit who must speak out This three volume collection brings together Sharp s own correspondence a fascinating trove in its own right by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti Walter Pater and George Meredith and the Fiona Macleod letters which bring to life Sharp s intriguing second self With an introduction and detailed notes by William F Halloran this richly rewarding collection offers a wonderful insight into the literary landscape of the time while also investigating a strange and underappreciated phenomenon of late nineteenth century English literature It is essential for scholars of the period and it is an illuminating read for anyone interested in authorship and identity **Reference Catalogue of Current Literature** ,1913
