West,2020-03-17 Sometimes it s good to be the king Leon Garber never wanted to be CEO of any corporation let alone the one that s been trying to kill him for the past year and a half That s why it makes no sense when LMI offers him a job a chance to take down the corporation from the inside It s a killer job but somebody has to do it A job Leon loves a little too much Sometimes it s great to be the king Tales of the Time Scouts Robert Asprin,Linda Evans,2015-11-16 TWO NOVELS OF TIME TRAVELING ADVENTURE Includes Time Scout and Wagers of Sin When an experiment on an orbiting space station went wrong bad wrong ripples in time washed over the Earth bringing global disaster The survivors beginning to rebuild learned that they were now able to travel into the past utilizing the remnant time strings But first the time strings had to be mapped That was the job of the brave pioneers known as time scouts Their occupation was only slightly less dangerous than front line combat and when it was discovered that a time

traveler who wasn't extremely careful could zap himself out of existence elaborate rules to prevent that evolved and it was the job of the time scouts to enforce them Time Scout Kenneth _Kit Carson was one of the best if not the best time scouts in the business But he has collected more than a few scars both physical and mental while poking around back in time and trying not to draw the dangerous attention of the natives not always successfully Nowadays he runs a small hotel at Time Terminal 86 and just wants to be a hotelier renting rooms to tourists on their way to see the Roman Circus Maximus or Victorian London firsthand until a certain red headed girl flounces out of his life through an illicit gate that may collapse and leave her lost eternally in the corridors of time Wagers of Sin Time Travel stations have become big business with wealthy tourists taking vacations back in time For Skeeter Jackson one of Time Terminal 86's least honest residents scamming those tourists is a way of life A man's got to follow his calling even a con man and Skeeter might be a dyed in the wool thieving scoundrel but he freely admits it and relishes the crisp cool feel of cash in hand until one of his scams went terribly wrong and he was in more trouble than even his quick wits and crooked tricks could get him out of again At the publisher's request this title is sold without DRM Digital Rights Management
