The War Inside Allen DeKeyser, 2025-08-17 At its core this book is the collision of pain and hope a story of battles fought not only in the world outside but deep within the human soul The War Inside The Love That Survived is a raw and unflinching journey through trauma scars and the quiet wars waged in silence but it is also a testimony to the love loyalty and resilience that refuse to be extinguished Allen DeKeyser opens his heart and pages to share a powerful account of survival the violence that nearly broke him the weight of PTSD and despair and the moments when darkness pressed in from all sides But through it all a constant thread runs strong love The love of family The love of his dogs who became his healers and protectors The love of a wife who stood unshaken through storms The love of faith that whispered life back into wounded places This book is both memoir and manifesto a cry for peace a tribute to endurance and a reminder that while life can carve deep wounds it is love that binds them heals them and helps us stand again Whether you have fought your own battles carried unseen scars or stood beside someone in their struggle The War Inside The Love That Survived will meet you with honesty strength and hope It s a book that doesn t flinch from truth but insists on redemption proving that no matter the war inside love can and does survive
