Olvera, 2012-03-14 As everyone knows God created mankind to his image Genesis 01 27 What mankind does not know is that God did not create man on Earth but rather on MARS When Mars could not sustain life anymore mankind had to escape the planet and colonized Earth Many years later a study was written about the survival of mankind in Sol Four Mars and its struggle in Sol Three Earth We proved to be a species that has survived wars slavery and other forms of abuse always holding on to our faith in God Overall Rating 4 out of 5 stars I will admit when I was first approached with the idea of this book it offset me I am not religious However this book combines religion science and human nature and thought into a very lovely collection of stories and tales I found that I enjoyed hearing about how human kind still holds principals so close to their heart And it gave me hope for the future Book Review Under The Thelian Sky by Toni G Sinns <http://wp.me/p2rOU5-6e>
