Flynn Gregory McDonald, 2019-05-07 Infusing elements of dark reality into this richly detailed comical series McDonald's first volume Flynn delves deeper into the curious character first introduced in the bestselling Fletch series Francis Xavier Flynn Early one morning as Boston's only investigator is returning home from solving another peculiar case he has the displeasure of witnessing a spectacularly

horrible show outside his front door a massive aircraft carrying over one hundred souls exploding in midair over the harbor Almost immediately the Human Surplus League takes credit for the heinous act of terrorism But Reluctant Flynn isn't so easily convinced unlike his partner and governmental counterparts Now finding himself at the whim of the tedious and ill-mannered FBI agents as they follow bunk leads and question all the wrong suspects he decides to do his own digging employing family and encountering new friends and old acquaintances along the way As the truth begins to trickle forth Flynn finds himself staring down a much bigger and much deadlier problem Flynn's World Gregory McDonald, 2019-05-07 Inspector Francis Xavier Flynn also known as international superspy N N 13 returns in this final book of the intelligently written scintillating series by bestselling author Gregory McDonald Severely lacking in sleep from a recent bout of marathon investigative work all Flynn wants is a proper night's rest Unfortunately at the early morning summons of his frantic daughter he's off to the cemetery to rescue her young friend who's in quite a peculiar bind And as the day progresses a curious collection of puzzling cases fall into Flynn's lap each one stranger and more urgent than the last As Flynn plunges into harm's way in pursuit of the truth buried secrets and dark motives come to light as he races to solve each crime and bring these seemingly disconnected matters to a full and complete case closed *Fletch Reflected* Gregory

McDonald, 2019-01-01 Directly following the events in *Son of Fletch* this indelible series comes to a close with Jack Fletcher Faoni following closely in his father's investigatorial footsteps After dropping his very first groundbreaking news piece onto the desk of Global Cable News Jack is once again a free agent But before he can set out to search for the next big scoop he receives a phone call from an old fling who pleads for his help Shana recently engaged to the son of a multimillionaire inventor is convinced that the recent accidents surrounding her future father-in-law are much more than that someone is determined to murder him Somewhat intrigued and frankly without anything better to do he secures himself a job at the palatial estate as the resident pool boy and quickly gets to work Realizing he might be in over his head as the attacks begin to escalate he calls in the one man whose peerless wit and quirky investigation skills can't be beat his father I M Fletcher
