Sleep That Changed Everything:

Death Changes Everything Sean Cunningham, 2022-07-16 Ian Hughes returns from a business trip only to discover his wife Debbie has been brutally murdered When a bloody note reveals Ian was the intended victim Detective Danny Diaz is assigned to act as Ian's bodyguard The two men were best friends in high school and now that they've been thrown together again the feeling they each secretly harbor for the other are rekindled As Danny tries to keep Ian from being the killer's next victim things between them ignite into a sexual tension that's hot enough to destroy Danny's career Secret business deals sexual and long held grudges are all exposed as Danny tries to find the murderer Amidst all the lies and cover ups one thing is certain although everyone seems to love Ian someone wants him dead The closer they get to solving the crime the closer the attempts on Ian's life come to actually succeeding Is it fate that brought Ian and Danny together Will their relationship survive the scrutiny of the investigation or the stress of being a target Will they catch the killer before the killer gets Ian Or will Ian survive to live happily ever after with Danny

The Turning Point That Changed Everything Wallace R. Pratt, 2009-12 In every person's life there comes a moment in time when circumstances or events require decisions and responses that greatly determine the future This book has no design to be another volume on leadership techniques Rather it is a candid exploration of those unexpected turns birthed out of the experience of being confronted with a reversal of circumstances in the life of an individual Frankly it is a study about the drama of life The intention of the author is to give a sincere and straightforward examination of why turnabouts often get high jacked and fail to live up to people's expectations Even more individuals will find a plea for courage and faith when things do not occur as they once envisioned they would Consequently it is a clarion call for courage to go further than some would desire but also a caution to impatient leaders to be watchful of their own intentions to push a change further than would be wise In the end some leaders must be willing to consider a more contemplative life built on valuing people above their own ideological mindset Dr Wallace R Pratt is an administrator minister teacher and writer He lives in Salem Oregon and has been married thirty eight years to his wonderful wife Judy They are blessed with two daughters two great son in laws and five grandchildren Dr Pratt serves as a regional supervisor in the Northwest for his church organization while also serving as an adjunct professor for Gordon Conwell Theological Seminary His leadership experience has included thirty three years of pastoral ministry and approximately eighteen years of teaching in sixteen nations He has been serving on the Doctrine and Polity Committee of his church organization for fourteen years and presently holds the position of chairman for this international body
