Emmet mystery set inside a winner take all crapshoot New York City style Empire Island is not the home of liberty It s no place for a prison And no immigrants ever passed through its portals Instead the abandoned Coast Guard station on the windswept waters of New York harbor is ground zero for an idea whose time has come casino gambling in the Big Apple For Bobby the fight over Empire Island gets personal when a young husband and wife mysteriously vanish from their downtown rent controlled Manhattan apartment The police's main suspect landlord Jimmy Chung then disappears without a whimper and Chung's attorney Izzy Gleason turns to Bobby for help That's when Bobby starts doing what he does best turning over stones in a town full of millionaires and madmen call girls and choirboys What he finds astounds even him The whole city is gambling crazy From underground crap games to mob backed bookies to the quaint business of church and synagogue Las Vegas nights millions of dollars are changing hands illegally every day And the big guys want in Suddenly Bobby is playing with the heaviest hitters in New York including the mayor the state assembly speaker and two dueling business tycoons one who s into floating casinos one who s into real estate and both who are into a famous female tennis celebrity As Bobby tries to figure out who is backstabbing who and why he comes upon the beautiful vengeance crazed sister of one of the victims and the heart of the case one that is inexplicably connected with New York City's last honest men a rabbi a minister and a priest No joke Edgy gritty darkly comic THROWING 7 s is a street smart novel of corruption vendettas and the unlikely bedfellows that ambition and money breed A single father a loyal brother and a man with contacts on every level of the city Bobby Emmet is playing the one game in town that isn t fixed where the prize is the truth and you gamble with your life

3 Quarters Denis Hamill,2015-08-04 Explosive street savvy and authentic acclaimed columnist Denis Hamill s novels are drawn in the gritty ink that can only flow from the pen of a native New Yorker and a superbly talented writer Now blending sinuous prose with a hair trigger delivery Hamill etches a novel set in a mercenary New York where friends become enemies cops are corrupted and some must die all for the sake of Bobby Emmet was a desperate man an honest New York City cop framed for the murder of his fianc e and given one last chance to save himself by an unlikely benefactor Bobby didn t murder his fiancee Dorothea Dubrow and then cremate the body but he has an idea who is responsible His murder trial interrupted his investigation of a police medical pension scam and revealed how little he really knew about Dorothea Now suddenly free he is imprisoned in a web of corruption lies and the kind of secrets people kill for Beginning his search for the truth at a shady security firm that employs able bodied ex cops all of whom have mysteriously qualified for medical pensions equal to a cool three quarters of their salaries he stumbles upon a startling discovery the cremated remains that led to his conviction didn t really belong to Dorothea Bobby has a few allies his policeman brother his hacker daughter his flamboyantly unprincipled lawyer a cop or two who stood by him through the trial But the same forces that landed him in jail more than a

year before are putting a smothering squeeze on him now and all roads lead to a powerful politician who will let nothing get between himself and the governor's mansion As the struggle to find the truth and Dorothea intensifies Bobby begins to suspect that those around him are not as loyal as they appear His liberty and very life depend on whether or not he can discover how high and how near the conspiracy goes before the trap closes on him At once lyrical and riveting Three Quarters crackles in its electric setting reverberating with a relentless energy Lawrence Block fueled by Hamill's intimate knowledge of and intense passion for New York City Mr. Hornaday's War Stefan Bechtel, 2012-05-15 He was complex quirky pugnacious and difficult He seemed to create enemies wherever he went even among his friends A fireplug of a man who stood only five feet eight inches in his stocking feet he began as a taxidermist and an adventurer who tracked tigers in Borneo with friendly headhunters lead crocodile hunting expeditions in the Orinoco and scouted the last remaining bison in the Montana territories William Temple Hornaday 1854 1937 was also a man ahead of his time He was the most influential conservationist of the nineteenth century second only to his great friend and ally Theodore Roosevelt When this one time big game collector witnessed the wanton destruction of wildlife prevalent in the Victorian era he experienced an awakening and devoted the rest of his life to protecting our planet's endangered species Hornaday founded the National Zoo in Washington D C served for thirty years as director of the renowned Bronx Zoo and became a fierce defender of wild animals and wild places He devoted fifty years to fighting gun manufacturers poachers scandalously lax game protection laws and the vast apathy of the American public He waged the Plume Wars against the feathered hat industry and is credited with having saved both the Alaskan fur seal and the American bison from outright extinction Mr Hornaday s War restores this major figure to his rightful place as one of the giants of the modern conservation movement But Stefan Bechtel also explores the grinding contradictions of Hornaday s life Though he crusaded against the wholesale slaughter of wildlife he was at one time a trophy hunter and what happened in 1906 at the Bronx Zoo when Hornaday displayed an African man in an ethnographic exhibit shows a side of him that is as baffling as it is repellant This gripping book takes an honest look at a fascinating enigmatic man who both represented and transcended his era s paradoxical approach to wildlife and who profoundly An Unsettled Grave Bernard changed the course of the conservation movement for generations to come Schaffer, 2019-07-30 The most engaging pair of detectives I ve seen in a long while David Morrell SOME SECRETS WILL NOT DIE For three agonizing decades seasoned manhunter Jacob Rein has been consumed by one case a missing girl never found and two cops dead one murdered the other a suicide Rein's prot g Detective Carrie Santero shares an equal fascination with the twisted patterns of murder But when the discovery of a small human foot unearthed in the Pennsylvania woods leads her to a decades old cold case she is not prepared for the secrets she will unravel and their connection to her mentor s dark and buried past Praise for Berard Schaffer's The Thief of All Light Tense fast and excellent I loved this book Lee Child Schaffer writes about cops with the assurance of a seasoned police veteran Lisa Scottoline Schaffer presents a thriller that is
