The Research Magnificent Herbert George Wells, 1915 The story of William Porphyry Benham is the story of a man who was led into adventure by an idea It was an idea that took possession of his imagination quite early in life it grew with him and changed with him it interwove at last completely with his being Goodreads **Maxwell's Demon** Steven Hall, 2021-04-06 The son of a famous writer is caught in a cat and mouse game with his late father's protégé in this heady postmodern thriller Publishers Weekly Thomas Quinn is having a hard time A failed novelist he's stuck writing short stories and audio scripts for other people's characters His wife Imogen is working on a remote island halfway around the world and talking to her over the webcam isn't the same The bills are piling up the dirty dishes are stacking in the sink and the whole world seems to be hurtling towards entropic collapse Then he gets a voicemail from his father who has been dead for seven years Thomas's relationship with Stanley Quinn a world famous writer and erstwhile absent father was always shaky not least because Stanley always seemed to prefer his enigmatic assistant and protégé Andrew Black to his own son Yet after Black published his first book Cupid's Engine which went on to sell over a million copies he disappeared completely Now strange things are happening to Thomas and he can't help but wonder if Black is tugging at the seams of his world behind the scenes Absurdly brilliant wildly entertaining and utterly mind bending Maxwell's Demon triumphantly excavates the ways we construct meaning in a world where chaotic collapse looms closer every day Praise for Maxwell's Demon Named a Most Anticipated Book by the Guardian A wonderfully imaginative splendidly baroque novel that is a combination of the baffling teasing and tantalizing Part fantasy part mystery it is altogether delightful and filled with surprises in a word exceptional No make that two words the second is fantastic Booklist starred review A phantasmagoric novel with shades of Stephen King's The Dark Half There's really nothing like this book long contemplations of philosophy personality religion and history are all woven into something of a mystery in which no one is truly reliable With influences that recall Fight Club and Motherless Brooklyn Hall manages to put a whole world on the page that shifts and changes as weirdly and wildly as the ones in the novel's fictional books The modern novel's version of a M. Bius strip written with verve and a vast appreciation for the power of language Kirkus Reviews A postmodern literary thriller about a difficult second novel Anyone who has a taste for postmodern hijinks fans of Thomas Pynchon or Mark Z. Danielewski's House of Leaves will be drawn to the menace and profusion the game like brilliance and black hilarity of Maxwell's Demon Australian *Contract marriage: His Sweet Wife and Cutest Twin Babies* Bai HuaHua, 2020-06-13 After her parents had both died in an accident she had to sign an agreement with him to save her family's company It was stated in the agreement that he would save her company on the condition that she would allow him to do whatever he wanted with her Just because she resembled the woman he had once loved he had toyed with her a million times and tortured her in every possible way He humiliated her in front of others and then abandoned her She had loved him but had suffered It wasn't until the agreement expires that she finally ran away from him

By the time she left she was already pregnant A few years later she brought her adorable child back and became strong and cold blooded When they met again he doted on her so much

Memory is the Weapon Don Mattera,2010-12-01 Donato Francesco Mattera has been celebrated as a journalist editor writer and poet He is also acknowledged as one of the foremost activists in the struggle for a democratic South Africa and helped to found both the Union of Black Journalists the African Writers Association and the Congress of South African Writers Born in 1935 in Western Native Township now Westbury across the road from Sophiatown Mattera can lay claim to an intriguingly diverse lineage his paternal grandfather was Italian and he has Tswana Khoi Khoi and Xhosa blood in his veins Yet diversity was hardly being celebrated at that time In one of apartheids most infamous actions the vibrant multicultural Sophiatown was destroyed in 1955 and replaced with the white suburb of Triomf and the wrenching displacement can be felt in Matteras writing The story of his life in Sophiatown as told in this essay is intricate Covering Matteras teenage years from 1948 to 1962 when Sophiatown was bulldozed out of existence it weaves together both his personal experience and political development In telling the story of his life as a coloured teenager Mattera takes on the ambitious goal of making us recapture the crucial events of the 1950s in Sophiatown one of the most important decades

The Research Magnificent H. G. Wells,2013-11-27

This is the annotated edition including the rare biographical essay by Edwin E Slosson called H G Wells A Major Prophet Of His Time Several of Mr Wells s books have been studies of society from the general standpoint but in some of his later stories such as The New Machiavelli and The Passionate Friends he has been more interested in thinking of what the individual life could do in and for society His book The Research Magnificent is the story of a man who being unlimited by minor matters set himself to find some theory of his work and duty in the world a plan of the world s future that should give a rule to his life A world state sustained by an aristocracy of noble men that idea or theory is not new to a reader of Wells but here will be found someone who tried to work out some practical way in the matter Not a novel one may readily say just as White the literary man who was called to look over Benham s papers said when the magnificent search had come to an end It is not unlike those autobiographical novels that as Mr Wells once wrote were popular throughout the third and fourth decades of the twentieth century It is the work of a novelist of course a story by a man who feels things keenly a man who is sensitive appreciative humorous whimsical But it is chiefly a matter of record valuable for the results it has in it

The Insanity of Unbelief Max Davis,2012-10-16 How Science and the Supernatural Changed My Life One day one of my professors asked me if it was true that I was a Bible believing Christian When I answered yes his polite upbeat attitude instantly turned rude and arrogant In front of my peers he insulted my intelligence belittled my faith and discredited the Bible To him there was absolutely no doubt that science and academia had shown the pure insanity of such belief writes author Max Davis Written from his journalistic point of view The Insanity of Unbelief is a result of the author s 30 year walk from childlike belief to skepticism and finally deep secure faith The contents are based on his expert and thorough research of solid facts versus what many atheists agnostics and even some believers tout Different from other apologetic books is the addition of true documented supernatural experiences and miracles making a compelling and exciting argument for the reality and power of God
