Smashing Time:

A Time to Risk All Clodagh Finn, 2017-10-13 Clodagh Finn has travelled throughout Europe to piece together the story of this remarkable unknown Irish woman meeting many of those children Mary Elmes saved. Here in a book packed with courage, heroism, adventure and tragedy, her story is finally remembered. The children called her Miss Mary and they remember her kindness still. She gave them food and shelter and later risked her life to help them escape the convoys bound for Auschwitz. Turning her back on a brilliant academic career, Mary Elmes ventured into a war zone to help children in the Spanish Civil War. In 1939 she fled Franco's forces but continued to work with refugees in France when the Second World War broke out. In 1942 when it became evident that Jews were being deported to their deaths, she smuggled children to safety in the boot of her car. She was arrested and imprisoned by the Gestapo but went straight back to work after her release. When the war was over, Mary married and settled down, never speaking about what she had done. Her story was forgotten. In *A Time to Risk All*, her remarkable story is finally remembered as it should be. A compelling portrait of an unsung Irish heroine of two wars. Madeleine Keane, Literary Editor, Sunday Independent. Brings to light the life of Mary Elmes, showing a remarkable independent and courageous woman whose compassion knew no borders. Yvonne Altman, O'Connor, Culture and Education Director, Irish Jewish Museum. **An Unbelievable Hoot** Jeffrey Kershaw, 2018-06-19 *An Unbelievable Hoot* is a funny risqué novel about a lawyer who owns land formerly used as an industrial chemical factory but is now occupied by a number of industrial units including bakers. Diggers, a plant hire company. Having done well, they seek to extend their showroom but in digging out to put in foundations for the extension, they unwittingly release gases from chemicals previously buried. These have a strange effect on passers-by. A magistrate unknowingly breathes in these gases before entering. Do it All, a hardware superstore. He is compelled to assault a lady who is bent over examining some cans of paint. She turns out to be an off-duty policewoman who immediately arrests him. The gases are also breathed in at an institution for retired lady civil servants who then attack young men working in the establishment. They are arrested and everybody has to appear in Court. Norris, nickname Nosey Parker, a nasally well-endowed journalist headlines the story in the Daily Spread and sets out to investigate. A hilarious journey begins. **A Time for Us** Josephine Cox, 2012-01-19 Lucy Nolan has everything she could wish for until tragedy intervenes. Josephine Cox's *A Time for Us* is a heartrending saga of love, tragedy and undying hope. Perfect for fans of Cathy Sharp and Dilly Court. Lucy Nolan is the golden girl. The only daughter of local grocers Sally and Mike Nolan, she's grown up in a home of total love and security. The one thing her heart desires is that Jack Hanson might ask her to marry him and when he does eventually propose, Lucy is prepared to give up everything to be with him, even though it means leaving her beloved parents to live abroad where Jack has been offered an exciting business opportunity. But then, almost on the eve of the marriage itself, tragedy strikes. And for the first time in her life, Lucy is forced to realise that Fate, which has been so kind to her, can also be just as cruel. What readers are saying about *A Time for Us*. One of the best Josephine Cox books around.

The characters really struck a chord with me and I felt very sad when the book had finished Josephine Cox excels at providing entertaining and authentic characters It is a brilliant read for those who want a light book with sparkling characters and a plot in a realistic setting I just couldn't put this book down a real page turner I love all Josephine Cox books but this one was exceptional
