The Hard Commands Of Jesus:

The hard commands of Jesus Roy Pearson,1952 The Commands of Jesus Michael Phillips,2014-11-29 The noted Christian author shares an enlightening exploration of the Gospels the call to obedience and what it means to live your faith every day Jesus often introduces the subject of obedience with the tiny but significant word if He recognizes that there are always two paths obedience and disobedience He commands obedience But many will not obey In The Commands of Jesus Michael Phillips illuminates the true meaning and vital importance of heeding God s word He identifies 120 commands of Jesus found in the Gospels and discusses how we can incorporate each one into our daily lives Metropolitan Pulpit and Homiletic Monthly ,1908 **Ventures in Discipleship** John R. Martin,1984 The Homiletic Review ,1890 Impossible Commands Jonty Allcock,2019-06-01 Discover how obeying Jesus can be both possible and joyful Rejoice always Don t be afraid Give cheerfully What do we do when God s commands sound impossible Most of us find opt outs and excuses or pretend we re doing better than we are Author Jonty Allcock calls this the madness of our lives and the slavery of the impossible There is a better way What if obedience could be a life giving joy rather than a job a delight instead of a duty In this book Jonty shows us that by facing up to the impossible commands of Jesus we come to the end of our own will and determination and end up at Jesus feet We find ourselves in the hands of a God who can do all things Where we fail to obey there is grace Where we succeed in obeying there we find the miracle of the Spirit active within us This book takes us through four steps I can t I m sorry please help and let s go that will help us look to ourselves less and depend on God more enabling a spirit led joyful obedience **The Five Commandments of Jesus** Patrick J. Amer,2009-09 In The Five Commandments of Jesus A New Approach to Christianity Patrick Amer presents to the ordinary Christian and the theologian alike his new refreshing and clear approach to the mission and meaning of Jesus of Nazareth Amer identifies the five commandments of Jesus as central within the recorded ethical teachings of Jesus These five commandments show the continued relevance and importance of Jesus in expressing God s will and plan for humankind The book is clearly written and readily accessible to all readers Discussion groups across denominations will find that this book meets each reader at the exact point at which we all find ourselves today Roger Haight S J Union Theological Seminary In this book Patrick Amer describes his discovery of the five commandments of Jesus He shows that the commandments are not a random selection of commands They are an integrated and focused attack on humanity s most deeply embedded anti social behaviors those placed there by natural selection He shows that these behaviors were in ancient times absorbed into humanity s public institutions and they are still there The kingdom of God is the community of men and women who live by the five commandments of Jesus applying them in their personal lives and to public institutions as well This book examines each commandment to show how it is to be practiced in one s personal life and how it is to be applied to public institutions By practicing the five commandments of Jesus the followers of Jesus participate in his redeeming mission and with him save the
